UPCOMING MOVIE RELEASES

Based on Laura Hillenbrand's bestselling book, UNBROKEN: PATH TO REDEMPTION begins where the hit movie Unbroken concludes, sharing the next amazing chapter of the unbelievable true story of Olympian and World War II hero Louis Zamperini. Haunted by nightmares of his torment, Louie sees himself as anything but a hero. Then, he meets Cynthia, a young woman who captures his eye and his heart. Louie's wrathful quest for revenge drives him deeper into despair, putting the couple on the brink of divorce. Until Cynthia experiences Billy Graham's 1949 Los Angeles Crusade where she finds faith in God and a renewed commitment to her marriage and her husband. Now, her most fervent prayer is for God to help Louie find the peace and forgiveness he so desperately needs. UNBROKEN: PATH TO REDEMPTION brings to life the rest of this powerful real-life story of forgiveness, redemption, and amazing grace.

A modern retelling of Louisa May Alcott's classic novel, we follow the lives of four sisters - Meg, Jo, Beth, and Amy March - detailing their passage from childhood to womanhood. Despite harsh times, they cling to optimism, and as they mature, they face blossoming ambitions and relationships, as well as tragedy, while maintaining their unbreakable bond as sisters.

UPCOMING ADULT FICTION

In a House of Lies
by Ian Rankin

Everyone has something to hide

A missing private investigator is found, locked in a car hidden deep in the woods. Worse still - both for his family and the police - is that his body was in an area that had already been searched.

Everyone has secrets

Detective Inspector Siobhan Clarke is part of a new inquiry, combing through the mistakes of the original case. There were always suspicions over how the investigation was handled and now - after a decade without answers - it's time for the truth.

Nobody is innocent

Every officer involved must be questioned, and it seems everyone on the case has something to hide, and everything to lose. But there is one man who knows where the trail may lead - and that it could be the end of him: John Rebus.

UPCOMING ADULT NON-FICTION

Murder, Lies, and Cover-Ups
by David Gardner

Uncover the real truth behind mass media accounts of how they died, and learn the reason for their murders.

These five deaths stopped the whole world in its tracks. We all famously recall where we were and what we were doing when JFK was assassinated, as well as the moments Elvis, Princess Diana, and Michael Jackson died. As for Marilyn Monroe, the candle flickered out long ago, but only now can the truth be told about how—and why—she died. After combing through thousands of recently declassified FBI files and interviewing key witnesses, crime analysts, and forensic experts during years of research, investigative writer David Gardner has unearthed new information that will transform the way we look at these iconic tragedies that have long fascinated and intrigued the general public. *Murder, Lies, and Cover-Ups* reveals that Elvis Presley died not as a self-obsessed caricature but as a genuine hero who may have signed his death warrant going undercover for the FBI; how Marilyn Monroe's secret affairs with JFK and his brother, Robert, left her in the crosshairs of a lethal conspiracy; why Princess Diana's death was no accident; who ordered President John F. Kennedy's assassination; and how on three occasions Michael Jackson “died” of painkiller drug overdoses in the months before his death. In the wake of new evidence and testimonies, *Murder, Lies, and Cover-Ups* provides many of the answers that have been elusive for so long, while explaining what it was about these enduring legends that made their legacies burn so bright.

UPCOMING YOUNG ADULT FICTION

For a Muse of Fire
by Heidi Heilig

A young woman with a dangerous power she barely understands. A smuggler with secrets of his own. A country torn between a merciless colonial army, a terrifying tyrant, and a feared rebel leader. The first book in a new trilogy from Heidi Heilig. Jetta's family is famed as the most talented troupe of shadow players in the land. With Jetta behind the scrim, their puppets seem to move without string or stick—a trade secret, they say. In truth, Jetta can see the souls of the recently departed and bind them to the puppets with her blood. But the old ways are forbidden ever since the colonial army conquered their country, so Jetta must never show, never tell. Her skill and fame are her family's way to earn a spot aboard the royal ship to Aquitan, where shadow plays are the latest rage, and where rumor has it the Mad King has a spring that cures his ills. Because seeing spirits is not the only thing that plagues Jetta.

But as rebellion seethes and as Jetta meets a young smuggler, she will face truths and decisions that she never imagined—and safety will never seem so far away. Heidi Heilig creates a world inspired by Asian cultures and French colonialism.
