

## SAINT OF THE MONTH

St. Teresa of Avila (1515-1582).  
Feastday: October 15

St. Teresa lived in an age of exploration and religious reforms. Columbus had discovered America 23 years before her birth and the Council of Trent (the most important movement of the Catholic Counter-Reformation, including the codification of the [Tridentine Mass](#)) was held between 1545 and 1563.

Teresa entered the Carmelites, where she was described as wise, practical, intelligent, mystical and an energetic reformer. A woman for God, of prayer, discipline and compassion. Her writings on prayer and contemplation are drawn from her experience, *The Way of Perfection* and *The Interior Castle* have inspired many. In 1970, the Church gave her the title DOCTOR OF THE CHURCH. She and St. Catherine of Siena were the first women so honored.

St. Teresa is the patron saint of Headache Sufferers. Her symbol is a heart, an arrow, and a book. She was canonized in 1622.

## 300 CLUB

Hello to all my Brother Knights, Sister Columbiettes and loyal supporters of the 300 club.

Our 300 club party was held on July 14<sup>th</sup> in basement at Delaney Hall and I think we can all agree it was a great time. The room turned out beautiful and I would once again like to extend my thanks to Fr. John De-rasmo for allowing us the use of this great new space.

I would also like to thank all the brothers (and some of their kids) who came down to help set up the room. My biggest thanks goes out to Joe Falce, my co-chair and his wife for ALL the work they do to make the party happen. They put in countless hours to ensure everyone has a great time and there is no way I could do it without them.

Our next party will be held on March 9<sup>th</sup>. Keep reading the Knight Light for details coming up in the next few months.

We still have a few numbers open for sale, for \$30 you get a chance to win cash during our six monthly drawings and admission to our bi-annual party with Food, Beer, Wine and Entertainment all included!
