

Josh's Sno Cone Shack!

Jaidyn and Gracie went to visit Josh's Sno Cone Shack.

There were ____ yummy snow cones at Josh's.

Roll the dice to find out how many snow cones they put in their box.

- Record what happens: $7 - 3$ makes 4 cones left at Josh's Sno Cone Shack
- Prove it! $7 - 3 = 4$ because $4 + 3 = 7$
