Iraq Confidential !

Media-release: 3.01.2.1

Mother of invader army specialist 'Casey Sheehan' stated: "My son died for nothing". US mother upset that her son died part of a criminal illegal act of war, making him a war-criminal. US parents should hold the 'Bush' administration accountable. The invader/occupiers died as criminals (*participating in illegal criminal invasion*).

US Marine Corps have dropped all charges against Sgt Sanick Dela Cruz for his participation in the execution of 24 Iraqi civilians in Haditha (*no justice for Iraqi*). War veteran Phil Aliff stated he witnessed the atrocities committed by US personal. Iraq's Prime Minister's top aid (*Suneid*) accused the US of violating human rights & treating Iraq like an experiment in a US lab (*expendable*). He said the US was committing rights violations & embarrassing Iraq by its tactics & co-operating with "gangs of killers".

US secretary of state Colin Powell **lied** to the Security Council about Iraq's "*weapons of mass destruction*". Scott Ritter UN arms inspector called the invasion of Iraq "a crime of gigantic proportions". Alan Greenspan (*former Federal Reserve chairman*) has declared the prime motive for the invasion of Iraq was oil.

Australia (*Howard*), England (*Blair*), US (*Bush*) lied that Iraq (*Hussein*) had links with Al-Qaida (*Laden*) & 9/11 (*World Trade Center*). These liars & criminal invaders must be held accountable. English law lord Thomas Bingham accused the criminal invaders as acting like a "**World Vigilante**" & serious violators of international law.

US defense secretary, Donald Rumsfeld (*evil liar*) claimed (*September 2002*) that their is "bulletproof" evidence that Iraq has "weapons of mass destruction". A **Deceitful Lie**. Donald Rumsfeld taught at Abu Ghraib. Iraq how to torture. Before & after the criminal illegal invasion & occupation of Iraq.

Corrupt 'Australian Wheat Board' gives million dollar kickbacks to Iraq . Which may have been used to buy ammunition to use against 'Diggers', US...

Universe Custodian Guardians belief the time has come to punish the people responsible for more violence and destruction to Iraq then by the **Evil** tyrant. We are talking about the people who over years enforced severe sanctions against the Iraqi people causing cruel suffering. Then they used lies, deceit and **Greed** as excuse to invade Iraq. Since the **Evil** criminals occupied Iraq more

civilians have died violently, more women were raped & more children gunned down than when the tyrant ruled. These criminals should be tried under the rules of the International Nuremberg trials. Exception 'no Death penalty'. The main charge "Crimes against Humanity". The accused: US president "Bush" his administration & civil servants. The "Queen of England" & her prime-minister "Blair" his administration & their public servants. The prime-minister of Australia, "Howard" his coalition government & their public servants. Every human is to pursue these violators of humanity. **They must be caged.**

2.5+ million people displaced inside Iraq & 2+ million who fled. 150,000+ civilians executed, countless tortured, raped. These victims deserve 'Justice'. The invader countries need to apologize to the Iraqi people & pay compensation & punitive payments to both individuals & the country.

1God is watching, humankind should punish **Evil Invaders** !

High-Performance Road-Terrorism ! Media-release: 3.02.4.2

High-Performance Road-Terrorism & Road-kills! Soon the Melbourne Formula 1 Grand Prix will be on with its noise & air pollution. This high performance fest is a must for every **Road-Terrorist & Environmental-Destroyer**. Motor racing is not only a danger to the environment but is also a bad influence on simple minded people.

These simpletons (*Road-Terrorist & Environmental-Destroyer*) buy, borrow or steal high performance vehicles to do **burn-outs, wheelies & illegal street-racing**. Every weekend in Melbourne in the late night they line up for **burnouts, wheelies & illegal street-racing**. Some attract a 1000 people they bring the family children, food & plenty drink mostly alcohol it's a great **pollution-orgy**. All this is actually **illegal**.

Not everybody enjoys this. Motorist's who are **tailgated, pushed off the road** or have to emergency break & who may be **injured** or **KILLED** are not supporters of **High-Performance Road-Terrorism**. The *Universe Custodian Guardians* oppose **High-Performance Road-Terrorism**.

There are 3 main causes for this type of **Terrorism**:
car manufacturers, government & people.

Australia's local car manufacturers use car races like the Grand Prix to market their high performance vehicles. Other car manufacturers do the same (*see shun list*). Car manufacturers by building High Performance Vehicles then supporting car racing & than using emotive slick advertising to market these weapons are 1 of the causes of **Road-Terrorism & Road-kills**.

Car manufacturers supply the weapons to commit **Road-Terrorism & Road-kills**. **Shut** High-Performance Vehicles manufacturers. **STOP** buying, selling & using cars of all the models from a Car manufacturer on the list. Take legal action against High-Performance Car manufacturers for creating the means to **bullying, butchery (Road-kills) & lawlessness** on the roads of the world.

Governments must **STOP** the manufacture and marketing of High-Performance Vehicles. Governments must **STOP car racing** both legal and **illegal**. Governments must **Punish High-Performance Road-Terrorists** by **caging them & confiscating** their vehicle. The **confiscated** vehicle must then be turned into scrap so it cannot again be used for **High-Performance Road-Terrorism**.

Withdraw support from governments that allow the manufacturing & marketing of High Performance vehicles. Governments that do not turn High Performance vehicles into scrap metal. Governments that do not cage owners & drivers that are **High-Performance Road-Terrorists**.

High-Performance Road-Terrorism does not only happen in Melbourne it is a worldwide **Evil** that needs to be stopped.

The *Universe Custodian Guardians* want YOU the good people to **Stop (non-violent)** the **butchery** of humans & the environmental **pollution** by **High-Performance Road-Terrorists**. Show your disgust (*non-violent*) to anyone owning or driving a High Performance vehicle. **Do not associate with these Bullies**. Everyone has a civic duty to stop these **High-Performance Road-Terrorists**.

STOP these **BULLIES** &  **KILLERS** now !

High-Performance Road-Terrorists are also environmental polluters. Motor vehicles pollute air, soil & water.

Free planet Earth of motor-vehicles & petrol motors

Globalization child & adult exploitation ! Media-release: **3.03.1.4**

Globalization is promoted & used by Greedy Profiteers for their Pyramid selling marketing to keep profits growing until they run out of countries & resources. The Greedy Profiteers have established propaganda organizations: **IMF**-International Monetary Fund, **WEF**-World Economic Forum, **WTO**-World Trade Organization, **G20**-Group of Twenty, **G8**-Group of Eight. To brainwash the public that **greed** is good that **profit** is good & **Globalization** is the answer to all our problems.

The reality is **Globalization** is used for cost-cutting. By moving into countries that have a lower cost structure. Sacking people in one area & employing slave-labour in another.

Lower costs are achieved by employing under age children in **unhealthy unsafe** working areas. They are **underpaid underfed** working long hours without breaks, without holiday entitlements, without health benefits. Missing out on childhood experiences, playing & education. While **Greedy Profiteers** are laughing all the way to the bank praising **Globalization**.

Where children are not available another underclass is used females. Females are treated often worse. While working under the same inhuman conditions as the children many females also have to provide sexual favors' (*being **RAPED***).

Many males are also exploited but usually not as bad as children & females.

***1GOD sent a message
by turning to dust the World Trade Center.
The symbol of greed & globalization.***

1GOD opposes **greed** & **globalization** as do the *Universe Custodian Guardians*.

What You Must Do:

Greedy & **globalization** are **Evil** & must be punished by asset stripping & caging. **Free trade** between Provinces is unacceptable & must stop.

Global organizations (*Commonwealth of Nations, International Olympic Committee, Organization of Petroleum Exporting Countries, United Nations*) need to be made extinct (*dissolved*). Stop migration of organizations (*multi nationals, military bases*) & people (*slavery, opportunists, refugees*) between Provinces (*sent back to where they came*).

Free Education from cradle to cremation ! Media-release: 3.06.15

1GOD wants humankind to seek knowledge, then gain it & eventually

apply this knowledge, all life long. This gives everyone a **1GOD** given right to **Free Education** from cradle to cremation. *The Universe Custodian Guardians support Free Education & Government Schools.*

There are Governments who give public funds to **non-government schools**. E.g.: Australian Federal & State Governments run down Public Schooling so they can subsidize wealthy **non-government schools**.

Australian Federal & State Governments only reflect Australian Societies values. Selfishly taken from the poor, under-privileged, needy, sick, struggling. Giving to Evil Greedy Profiteering Arrogant Elitist Polluting Wasteful Immoral Rich.

In many areas Public School classrooms are unhealthy (*poor toilets, exposed asbestos*) & are in an advanced stage of disrepair like in underdeveloped areas in the world. **Non-government schools** use public money to build golf courses, tennis courts, sporting ovals, landscaping, gyms, staff-lounges with bars. Those who already have these things spend money on dams for draught proofing.

Many parts of Australia are gripped by the worst draught in living memory. Communities have water delivered by tankers. People drink bottled water. Plants & animals are *dying* of thirst. **Arrogant Elitist Wealthy** students have a jolly good time on the **non-government school** draught proofed manicured golf course (*which is subsidies by plundering Public School funds*).

Victoria (*Australian state*) also charges school fees in **Public Schools** (*subject fees, first aid fees, sports equipment fees, IT fees*) to ensure that the **poor, sick, under-privileged, needy, struggling** are **robbed** of every cent. Then gives it to **non-government schools**. If the parents cannot pay their children are shamed by principals & teachers. Every day children in Victoria go to school without having had breakfast.

NO Government funding for **non-government education**. Non-Public education used for tax avoidance needs to be prosecuted. Non-government education that raises fees, charges, needs to pay **wealth tax** on these fees, charges. People who pay fees, charges to **Non-government education** need to also pay **wealth tax**.

Principals & teachers who shame students because of greed need to lose their education accreditation. They are unfit to be Educators.

What You Must Do:

Non-government education is to be shut down without compensation. Government that funds &/or allows **Non-government education** is to be replaced & its members prosecuted for corruption.

AU PM J. Howard invades Aborigine Homeland ! Media-release: 3.07.3.2

John Howard *invades* & seizes **Aborigine** Homelands & **sacred** sites to get control over resources & land for **Toxic Dumps**. This is the 2nd time **Aborigine** Homelands & sacred sites have been **invaded** & **occupied** by English speaking European Colonial armed forces.

3 Centuries ago **Aborigine** Homelands & sacred sites were **invaded** by English speaking European Colonial armed forces to **land-grab**. Now the **Bully** from Down-under John Howard led his English speaking European Colonial armed forces against unarmed docile people the **Aborigine** to **land-grab**. Their Homelands & **sacred** sites to get control over resources & land for **Toxic Dumps**.

Why **land-grab** now? **It's the Resources stupid!**

Australia is gripped by a resources-boom. **Greedy, corrupt** John Howard wants to be in control to cheaply hand out mining licences (*his government members own directly or indirectly mining shares also mining companies are generous with political donations*) with little or no pollution restrictions. **Aborigines live in harmony** with the land & the environment while English speaking European Christian Colonials led by John Howard **ravage the land & pollute & destroy** the environment.

Land-grab also enables **Evil** John Howard to use the homeland as **toxic & radioactive waste dump** just another nail in the **Aborigine** coffin. 11 years the government has run down **Aborigine** health services. This led to **Aborigine** women being the unhealthiest women with the shortest life expectancy on planet Earth. The running down or non-existence of **Aborigine** health services also led to unhealthy **Aborigine** children with an unacceptable high mortality rate.

Lack of health services are not the only threat to **Aborigine** children & women. **Child-molesting & rape** of this vulnerable underclass is widespread. The Government points the finger at **Aborigine** men while some are guilty the majority of these **depraved, perverted criminal acts** are committed by English

speaking European Christian Colonials. **Aborigine** men get prosecuted English speaking European Colonials not.

Aborigine are accused of being alcoholics some are, made so by greedy English speaking European Christian Colonials. **Alcoholism** is the main reason for arresting **Aborigines**. **Aborigines** in protective police custody very often get **hurt, driven to suicide** & sometimes ☠ **killed** by English speaking European Christian Colonial police. **Aborigines** that **hurt** or ☠ **kill** are prosecuted Police doing the same are praised.

Aborigines are non-fighters unarmed bringing in the military is bullying. Bringing in the police who have a reputation of **hurting** & ☠ **killing Aborigines** is threatening & callous. For 220 years **Aborigines** have been **humiliated, hurt, ☠ killed, dispossessed, treated like criminals, their children stolen, almost driven to extinction** in Tasmania.

How is this possible ? Australia is plagued by **3 Tyrannies**: Head of State is a foreign **Hereditary Tyrant**. **Political Tyranny** John Howard controls both houses of Parliament. Australian Society idolizes the tyranny of **Selfishness & Greed**.

Universe Custodian Guardians support that **Aborigines** are rightful owners of Australia & Tasmania. **Universe Custodian Guardians** support reconciliation between the **Aborigine**, English discards & immigrants.

Part of this reconciliation: Must be an apology by a combined sitting of both houses of Parliament for the 220 years of suffering of the Aborigine. Removal of the foreign Head of State being the cause of the 220 years of suffering of the **Aborigine**. Adopting the **Aborigine** flag as national flag.

Stop the occupation & land-grab. Remove & Punish police that **hurt, drove to suicide** & ☠ **killed Aborigine**. Free regular health checks & treatment for **Aborigine**. Teach Local **Aborigine** dialects in public schools as second language.

NIGHT – CURFEW !

Media-release: 3.07.4.4

Universe Custodian Guardians support Night-Curfew. Humankind's general health is deteriorating because of an unnatural nocturnal lifestyle. This lifestyle has led to a constant increase in energy consumption resulting in unhealthy choking air pollution making people sick.

Nocturnal living has resulted in more crime & violence increasing the cost of law enforcement the need for more hospital beds & refrigeration in morgues. Night driving & night working are unnatural leading to more illnesses, accidents & disability increasing the need for more medical services & higher welfare

expenses. Nocturnal living has decreased the birth-rate being a direct threat to the human species & an **insult** to **1GOD**.

The human body was not designed to be nocturnal. Humans misused their brain-power to create a nocturnal lifestyle. This lifestyle is not beneficial to the health of the human body. Therefore a **Night-Curfew** is needed for **good-health** & **Multiplication** for **species-survival**. Pleasing **1GOD**

A 7 hour Night-Curfew from 14 - 21 hours* (*22-6 hours**) is mandatory for good-health, reduction in energy consumption, less pollution, protection of wildlife, reduction in crime, lower cost to government & encouraging **Multiplication**. Misuse of exceptions or breaking of curfew is a **crime!**

C R E M A T E! 

Media-release: **3.08.2.5**

Say **NO** to Graveyards & Ghosts: **Cremate**. When the physical body has died the spiritual Soul leaves it & heads towards the light of the Spiritual Gate **Judgment-Day** is here. To ensure that the Soul is released & **Afterlife** is possible the human-body must be cremated. If a Soul is not released it exists in limbo as Ghost. An autopsy should precede **Cremation**.

Cremation  is the only acceptable type of funeral.

Graveyard funerals are unacceptable.

Graveyard funerals may create Ghosts by not releasing the Soul. If a Soul is not released it exists in limbo as Ghost.

Graveyard funerals are favored by **evil elitist** showing off: Expensive coffin, expensive headstone, pompous landscaped mausoleum.

A growing population has no room for graveyards who are also becoming a greater health risk. The cremation-fire cleanses.

AU PM Howard gives 110 million to Millionaire pets ! Media-release: 3.10.15

Australian Prime-Minister John Howard (*Bully from down-under*) gives 110 million of public money to his Millionaire mates because their pets have the Flu.

BACKGROUND :

Australia's Millionaires & Pretenders are mates of the Australian Prime-Minister & the 1st Lady. They have in common their arrogant living by the '**Chain of Evil: Greed > Profiteering > Wealth > Waste > Elitism > Apartheid > In-Justice**'.

In practice this means taking from disadvantaged, exploited, struggling, weak, sick, homeless & needy then giving it to the selfish **Anti GOD** worshippers of the **Chain of Evil**. Because of Australian Society idolization of the **Chain of Evil GOD** is bringing his latest message from Australia. **The Chain of Evil is unacceptable!**

In **1GOD's** Universe horses are meant to be used for meat, skin & transport. Arrogant humans living by the 'Chain of Evil' changed this. They dope up horses (*legal or illegal supplements*) inbreed them mistreat them to make them race or hurdle. **All this as amusement for the 'Have Too Much'.**

Horses are made to race pulling buggies unnaturally pacing or trotting. In show-jumping horses are forced over high or wide obstacles. Consistently horses get hurt or killed so **Evil-humans** can indulge in showing off expensive gear, indulge in alcoholism, gluttony & gambling.

Horse-racing is cruelty to animals. Horse-racing corrupts society & leads to criminal activity. Horse-racing leads to human alcohol abuse, unhealthy excess eating & gambling addiction.

Animal Protection Organizations don't care. **Evil-societies** don't care. **Who cares ? 1GOD** does. **Custodian Guardian Care !!!**

N O W :

The human race & jump horse creations got the flu. **1GOD** hit the **Evil-humans** involved in this animal cruelty racket were it hurts in their **greed**. **Hi Ho Silver Evil Australian Prime-Minister John Howard** (*Bully from down-under*) **racist to hand over 110 million to the Evil-humans**. The same PM who reduced disability benefits & womens health benefits. Australian Aborigini women have the lowest survival rate of any women in the world!

1 G O D is insulted.

The **Universe Custodian Guardians**: Oppose horse-racing in any form that includes hurdling & buggies. **Racing of horses & dogs needs to stop!**
