TEXAS CONSTRUCTION CAREERS INITIATIVE - CAREER DAY

by Mac Tekell

The Texas Construction Careers Initiative (TCCI) hosted a Summer Internship Event last Wednesday. Schools all across San

Antonio area had high school students attend to learn about construction related industries, and what opportunities are available. Many of these students have construction related programs in high school that focus on trade skills, CAD certifications, and even robotics. In addition, some are already involved with trade schools, and are developing plans for their careers. SAABE represented the building engineers, and gained overwhelming interest from more than 50 students.
