Families of Saltillo, Coahuila, Mexico

Volume Thirteen

Volume thirteen contains marriage information found on film 605096 (matrimonios 1788-1823). This volume, in a series, continues with 500 records starting on September 1810 and ending on September 1815 on images 370-447. The plan now is to create a fifteen volumes of 500 marriage records each. Basic information from the marriage records is presented along with other information gathered in an attempt to present two generations descendant reports. Not all marriages result in descendants. Most of non-marriage record information presented was gathered using the FamilySearch.org database index.

This project requires more than just skill in reading handwriting. It demands some skill in paleography (the study of ancient writings). I learn as I go, without a formal education in genealogy or paleography. My books are my interpretation of the records, not what I see in the records but how I interpret them. The marriage record information found on image 432-6 has the groom as Jose Felipe Teyes. That is how the name appears in this volume. I changed my interpretation of that record today after putting this volume together. I changed Teyes to Telles. With that change, I made the connection to his parents Jose Felix Telles and Maria Encarnacion Flores who married in 1784 Saltillo. Choosing one surname spelling makes connecting the dots simpler. Simple helps me be more productive. Please take the time to view the online church record images.

I want you to find any and or all of these church marriage records. I recorded the image number followed by a dash and serial number for each record with the hope that you would be able to locate them with little effort. It should be easy if you have used the online images before. I like to think of it as riding a bike. Once you learn to do it, there is no problem. The problem is learning to do it.

10 Steps to finding the marriage of Jose Felipe Teyes

- 1.) Go online to FamilySearch.org
Click on "**Browse All Published Collections**" found below the map of the world.
 - 2.) Click on "**Mexico**" found in the Place list on left.
 - 3.) Click on "**Coahuila**" found in left column under Places.
 - 4.) In the main column click on the words "**Mexico, Coahuila, Catholic etc.**"
 - 5.) You may have to scroll down to find and click on "**Browse through ##### images**"
 - 6.) You may have to scroll the list to find and click on "**Saltillo**"
 - 7.) Click on "**Sagrario Metropolitano**"
 - 8.) Scroll the list down to find and click on "**Matrimonios 1788-1823**"
 - 9.) Image one will appear. You may have to use the slider tool to adjust the image size.
Image one is totally black except for the film number 605096 in white.
 - 10.) Above the image on the right is the word "**Image**" followed by a box with a 1 then "of 509". Replace the 1 with 432 and press enter. Simple as that!?
- These steps might change at any time.
