1st VICE PRESIDENT (LUNCHEONS)

Erin McCollum

Erin's husband recently retired from the Army and they decided to make Sierra Vista their home. She enjoys meeting new people and the Spouses' club is a great way to do that. Erin served in other clubs and was the 1st VP of the FHCSC this year. She loves to make people feel welcome and appreciated at our events. And of course the fulfillment of the club's main mission - to help others in our community via scholarships and donations to other organizations.

2^d VICE PRESIDENT (MEMBERSHIP)

Anna Serna

Anna is a Navy child who was born in Clark Air Force Base, Philippines and raised in El Paso, TX where she met her husband of almost 16 years. Anna earned her Bachelor of Accountancy from NM State University and is currently working on her Master's of Education in Elementary Education. She truly enjoys working with soldiers and families. While her family was stationed in Vilseck, Germany she took on the role of FRG Treasurer for the MI Troop and was President of the Fires

Foundation, which supported the soldiers and families of the Field Artillery Squadron 2CR. The foundation was able to set up a food pantry to confidentially assist military families who were in high need of food in between pay periods. She, along with her group, worked many fundraisers and food drives to help support and maintain the pantry. She also collaborated with other foundations in 2CR to conduct a large donation drive for soldiers down range. Relocating from Germany to Virginia made her miss working with the troops. In order to continue her passion for working with service members, Anna took on a managerial role with Marlow White Uniforms in Woodbridge, VA to ensure that they were able to receive the best service for their uniform needs where she remained until it was time to relocate to Ft. Huachuca. She currently volunteers with the FHCS as the Volunteer Coordinator, We Care Coordinator, and Historian. Anna looks forward to working with the 2018-2019 FHCS board in a new role and supporting the club's mission. If elected, Anna hopes to work with volunteers whose vision includes supporting Fort Huachuca's soldiers and families. Thank you for your consideration.
