*For thousands of years, Indigenous people have walked in this land. As we gather for worship this morning, we acknowledge that we are gathered in the traditional territory of the **Saulteaux, Cree, Dakota, Lakota, & Nakota First Nations** and the traditional lands of the **Metis**, now defined as **Treaty 4**, and we acknowledge their stewardship of this land throughout the ages. We recognize this statement in itself is not reconciliation work - this stand-alone acknowledgment must be accompanied by multiple acts that continue to deepen our understanding of the connections between Indigenous peoples and the lands on which we are joined through the course of history and through treaty signing.*

Sunday Scripture: Mark 14:1-15:15

Hymns:

Ride on! Ride on in Majesty! – VU#127 vs. 1

O Beautiful Gaia – MV#41

Hosanna, Loud Hosanna – VU#123 vs. 1&3

Were You There? – VU#144

Our Hearts that Beat in Tune – MV#37

Bitter was the Night – VU#132 vs. 4

From the Living Skies Region

Reflections on racism The International Day for the Elimination of Racial Discrimination was this past Monday, commemorating the 1960 Sharpeville Massacre of over 180 people in apartheid South Africa. The national church's [Round the Table](#) blog offers personal reflections from church members on social justice and intercultural themes all year long, and this week focuses on the impact of racism. All of these can be used from the pulpit, on social media, and more.

National Statement for Peace in Ukraine and Donations Link - The invasion of Ukraine is costing precious lives and creating a humanitarian crisis as people flee to safety. The United Church has joined with partners who witness and work for peace and justice in the world, by issuing a statement condemning the invasion of Ukraine. [You can see the statement and other information here](#), and find a link here to [make a donation](#) to support United Church Mission & Service partners responding to rapidly emerging needs. We add our prayers of concern and support for the people of Ukraine, and for their families and friends here and throughout the world.

Looking at Guaranteed Livable Income through the window of Lent - Lent is the season for truth-telling and repentance. It calls us to deep reflection on how we might address the persistent inequities in our country. Since 1972, The United Church of Canada has advocated a policy of guaranteed annual income that is more equitable and effective than existing government support programs. [In a new guide available here](#), resource people from Pacific Mountain Regional Council offer ideas for Lenten liturgies, prayers, study groups or outreach committees. Each segment contains a suggested scripture, hymn ideas, a reflection or implication for GLI advocacy, and an action idea. The guide also includes action suggestions.
