

Dr. Washburn grew up on the plains of Colorado along with his four brothers on a hog farm. He graduated from Colorado State University with a degree in Microbiology and received his medical degree from Ross University with high honors. He and his wife fell in love with the Ozarks while completing his residency at Cox Family Medicine Residency in Springfield, MO. His scope of practice includes obstetrics with C-sections, urgent care and outpatient pediatric, adult and geriatric medicine.

Prior to joining Ozarks Family Care, Dr. Washburn and his family served at a mission hospital high in the Peruvian Andes meeting the physical and spiritual needs of the Quechua people. He is married and has three children; one of which was born in Peru.
