APPLICATION AND PRE-ADMISSION FORM

Please Read All Information Carefully
All Questions MUST Be Answered Before the Application Can Be Reviewed and Processed

Requirements for Admission to Our Lady of Perpetual Help Home:

Documented proof of a diagnosis of incurable cancer is required. This may be a Pathology Report, a CT Scan, a Biopsy Report, or other requested information.

Our Lady of Perpetual Help Home is a free home for those who are financially UNABLE to afford nursing care elsewhere. This means:

- the patient has no insurance coverage
- if the patient has insurance coverage, such coverage is not adequate to cover the cost of a stay in a nursing facility
- the patient does not have other assets that would cover the cost of nursing care

Our Lady of Perpetual Help Home accepts no payment of any kind, including Medicare, Medicaid, private insurance or private pay. Financial need is a requirement for admission.

Patients and families must be informed that the care provided by Our Lady of Perpetual Help Home is palliative, not curative. All treatments must be completed before the patient is accepted. Medications and all ancillary orders will be prescribed by our physicians.

Do Not Resuscitate - As only persons with incurable cancer are admitted to Our Lady of Perpetual Help Home, and as the Home provides only palliative care, all patients must submit a valid "Do Not Resuscitate" (DNR) Order prior to admission.

Palliative Care is a concept of care which employs medical and nursing care as well as specific ancillary services, when indicated, whose primary objective is the comfort and overall well-being of the incurable/terminal individual. No treatment is employed which would overburden the individual, yet full support is offered for basic physical needs as well as spiritual, psychological, and emotional needs. Individuals, while experiencing similar diagnoses, may have different needs or symptoms associated with their disease and secondary diagnoses, hence personalized medical or nursing plans of care based on individual needs and symptoms are developed.

Our Lady of Perpetual Help Home complies with all applicable federal, state, and local civil and human rights laws with regard to employment and provision of services. Patients are welcome regardless of age, color, creed, sex, national origin, handicap, or marital state.

I AM AWARE OF AND ACCEPT THE POLICIES STATED ABOVE.

Legal authority of the Georgia Department of Community Health (DCH) to collect health information established the GCCR. The Official Code of Georgia (O.G.C.A.) Chapter 12 § 31-12-1 empowers the DCH to "… conduct studies, research and training appropriate to the prevention of diseases….". O.C.G.A. § 31-12-2 allows the DCH to require certain diseases and injuries to be reported in a manner and at such times as may be prescribed.
