

BRANDON HIGH SCHOOL BAND

2017 SPONSORSHIPS CAMPAIGN

BRANDON HIGH SCHOOL BULLDOG BAND has had great success in the past years thanks to the invaluable support of our sponsors. We are proud that the entire band now sports new, modern uniforms, replacing the well-worn, decade old ones. And we can now travel more efficiently with the acquisition of a 32-foot equipment trailer and a 16-foot equipment trailer. Both of these upgrades are significant, and they will be valuable investments for many years to come.

As we continue to experience unprecedented growth in our 150+ member band, we have a specific need for upgrades to our more costly, but indispensable instrument lines, such as tubas, percussion, and french horns. Our goal is to acquire higher grade and newer instruments to improve our performances and overall continuity in presentation. Some of these instruments cost thousands of dollars and are key to the success of our performances.

BHS is a growing school with a flourishing band program. We are diligently working to improve our program so our students have the resources to compete with other Mississippi communities. Each band family already pays a substantial "share" and participates in multiple band fundraisers to meet the yearly program fees; however, this still does not meet all the needs.

We are striving to raise \$50,000 to meet capital requirements for the band.

Realizing that this is a major undertaking and an incredible amount of money to raise, we are asking all of our band friends, boosters, alumni, and community members to consider helping in any way you can. If you'd like to track our progress with this project, there are multiple ways to get updates. Please sign up at our website and "Like" us on Facebook to show your support!

BRANDON HIGH SCHOOL BAND

2017 SPONSORSHIPS CAMPAIGN

Brandon Band Boosters is a non-profit organization that provides the funding for the BHS band to operate. Like all school bands, we operate primarily through corporate donations and fund raisers. We are also a 501(c)3 organization, so your donations are tax deductible!

We are always eager to have an active working relationship with our sponsors and strive to provide as much value and community pride as possible for your business. Attached are our sponsorship packages, or if you are willing to donate a product or service, please let us know!

Our school has nearly 1,400 students whose families will see and appreciate your sponsorship. BHS families live, work, and shop all over Rankin County and the surrounding areas and it would be our privilege to promote your business at these events.

Thank you for supporting the Brandon Bulldog Band!
