

DAYCARE / BOARDING DROP-OFF CHECKLIST

BEFORE DROPPING YOUR PET(S) OFF AT WAGGING LOUNGE DOG RESORT FOR DAYCARE OR BOARDING, BE SURE TO HAVE THE FOLLOWING:

FOOD

To ensure consistency in your dog's diet, we recommend that pet owners bring their dog's regular food when boarding with us. A consistent diet helps minimize tummy aches and promotes a sense of familiarity. Please bring your dog's food (pre-measured per meal) in zip lock baggies labeled with your dog's first and last name. By providing pre-measured food, we can assure you that your pet will receive the exact same amount of food they receive at home thereby preventing over or under-feeding.

VACCINATIONS

Your dog(s) vaccination records must be up-to-date and presented to Wagging Lounge Dog Resort before we are able to accept them for doggie day-care and/or boarding.

REQUIRED VACCINATIONS:

-Rabies, Bordetella (Canine Cough), Distemper (DHPP). Refer to website FAQ's for more information.

FLEA CHECK NOTE: All dogs with flea infestations will not be accepted and turned back to the owner. The safety and health of all of our Pet Guests and Employees is of utmost importance at Wagging Lounge Dog Resort.

MEDICATION

All Medication should be clearly labeled with your dog's first and last name and dosage requirements. Feel free to included information on how best to administer your dog's medication. Knowing the best manner to provide your pet with their required medication will ensure that they receive their medication properly and without added stress.

BEDDING(Boarders Only)

We want your dog to feel comfy and cozy when they stay with us overnight. Personal bedding from home is always welcome, but limited to small sizes. We have found that fleece and blankets work best as they can be washed in detergent and hot water and are not as susceptible to destruction. Foam beds and big bean bag-like beds are not permitted due to choking hazards.

TOYS (Boarders Only)

Please limit the amount of toys to 2 pieces. This does not include bedding or medication. Since some of our canine guests take advantage of down time by chewing enthusiastically, bring one good chew toy and keep the "most treasured toy" at home. Bring new toys or chew bones that will stimulate your pet's interest. All toys are removed and stored in the personal bin during after hours. Toys smaller than a regular tennis ball cannot be accepted. Our staff will take every precaution to ensure all toys and bedding are returned to you, but we cannot be responsible for lost or destroyed items.
