Austin Moutry – 2015 – PG – Playground Elite 5-9 – Dominican HS – Milwaukee, WI  
*"In a tough matchup with the Wisconsin Blizzard, Moutry helped keep the game close most of the way. The speedy point guard was able to break down the defense with some electrifying ball handling and make plays for his teammates. Moutry also knocked down some outside shots early as Playground Elite was on the verge of a big upset."* - See more at: [http://www.ny2lasports.com/article\\_one.aspx?articleid=2064#sthash.wd3cMyFT.dpuf](http://www.ny2lasports.com/article_one.aspx?articleid=2064#sthash.wd3cMyFT.dpuf)

AUSTIN MOUTRY - 2015 - G - WISCONSIN ATTACK 5-9 - DOMINICAN H.S. - MILW, WI

He scored 8 points and had 2 assists for Dominican in the win."* - See more at: [http://www.ny2lasports.com/article\\_one.aspx?articleid=1752#sthash.gYRGswTQ.dpuf](http://www.ny2lasports.com/article_one.aspx?articleid=1752#sthash.gYRGswTQ.dpuf)

### 2012 NY2LA SPORTS CLASSIC GAME PREVIEW December 14, 2012

*"The supporting case of players is of interest as well as Vincent features the likes of seniors Jabari Hobson and Ronald Singleton, junior Marcus White and sophomore Malik Brown while Dominican offers up junior Jack Jelacic and sophomores Austin Moutry and Tywon Bressler Jr. While Wilson and Stone are the focal points for Dominican, Jelacic can finish around the basket and hit the mid-range jumper and the young sophomores Moutry and Bressler are solid as well with Moutry having range and ability to score the basketball like Bressler who also has nice handles and solid playmaking ability. All figure to play major roles in Saturday night's contest which is already buzzing throughout the state and shaping up as one of the most exciting regular season matchups in recent history for high school basketball in Wisconsin."* - See more at: [http://www.ny2lasports.com/article\\_one.aspx?articleid=1146#sthash.76TV0JHw.dpuf](http://www.ny2lasports.com/article_one.aspx?articleid=1146#sthash.76TV0JHw.dpuf)
