Worship Announcements

An Update on Our Return to In-Person Ministry ***Suspension of Live Worship Continues***

Updated 5/14/20: The leadership of North Cape continues to monitor the effects of the COVID-19 virus in our area. We are using this time to constantly monitor advice from local health officials and the Greater Milwaukee Synod regarding the unique challenges of church ministry in these times. We will continue to suspend live worship. And the Board will be meeting again on June 4 to monitor, assess, and plan.

Effective 5/7/20: The Church Board of North Cape Lutheran will be following the Badger Bounce Back three-phase program for returning to in-person worship and ministry. Unfortunately, we can not provide a calendar date right now for when worship will resume in-person. We are committed to safe and vibrant ministry as we share the love of Christ. More information can be found at [this link](#). Please continue to follow our virtual ministry opportunities.

Upcoming Celebrations

We will be celebrating our graduates on Sunday, June 14th. If you or your child is a graduate this year from 8th grade, high school, college or other institutions of higher learning, please submit your photo and information to the church office **by May 31st.**

NEW: On June 14th we will be having a Graduation Drive-Thru Celebration with Communion. Plan to drive through the NCLC parking lot to wish our graduates congratulations and pick up to-go communion as you exit. This will occur rain or shine.

Blessing Box

Leave what you can,
take what you need

We invite you to utilize the Blessing Box that we have installed outside the South Entry at church. It is a place for you to share non-perishable food items, cleaning supplies, and hygiene items for those who need them. This drive-up, self-serve opportunity is meant for ALL people. Whether you just ran out of something and don't want to go to the store, find yourself in financial need, or realize you stocked

Caring Circles

We are looking for volunteer families to join a Caring Circle with older adults. Our hope is to create numerous multi-generational support

networks connecting young and old alike. Our request is simply that you call the other members of your support network once a week, inquire about their health and safety, and share a little news about your life. (Circles will be as small as 4-6 people). We hope that this will decrease social isolation, provide a safety net for vulnerable members, and deepen relationships in our church community. We can accomplish this with a simple phone call or virtual chat. It's like fellowship time, without the coffee and cookies. Contact Ann Henderson at northcapelutheran@gmail.com if you are interested. Ann will pass your interest along to Jill Peterson, Caring and Connecting Coordinator, and she will match you up with other participants.

NEW Book & Puzzle Exchange

Due to interest, we have added a book and puzzle exchange outside of our south entry near the Blessing Box. Please drop off any books or puzzles you'd like to share, and pick up "new to you" ones from the box. Depending on space, we would welcome games too! All items should be in gently used condition and can be for any age. If you are concerned about the virus, please bring a bag from home and set your new items aside for a couple days before using. Feel free to spread the word to your friends and neighbors. This is for the entire community to utilize.

Volunteer Opportunity

Trimmers Needed

The Equipping and Supporting team is looking for more volunteers to help with trimming around the cemetery. Thank you to those who have already volunteered. To make this less of a chore for one person or family, please add your name to the volunteer list. Many hands make lighter work. You can bring your own equipment and work around your schedule. Contact Doug Fischer at doug.fischer@att.net to volunteer.
