<sup>4</sup> For as in one body we have many members, and not all the members have the same function, <sup>5</sup> so we, who are many, are one body in Christ, and individually we are members one of another.<sup>1</sup> Romans 12:4-5 NRSV

## ***APRIL 2020***

***ST. PAUL'S LUTHERAN CHURCH  
HANOVER, PENNSYLVANIA 17331***

*By His mercy He has given us a new birth into a living hope through the resurrection of Jesus Christ, ... [1 Peter 1:3]*

I think some of the saddest words in the Gospel are, "But we had hoped that he was the one to redeem Israel," spoken by the two followers of Jesus on the road to Emmaus. They had fallen into despair because the man who had raised their hopes with his miracles and teachings had been crucified and their hope had died with him on the cross. And then,

in their despair they did not recognize Him, risen from the grave, as He was walking with them on their way home.

Sometimes the work of leadership in the church feels hopeless and sometimes even despairing. Finances can be a struggle, there are never enough volunteers for committees and projects, guests and visitors sometimes go unwelcomed, and there is always someone who wants their way even if it is not Jesus' or the church way. "We had hoped," it is said, "that our leader(s) would lift us up and make all things better again." But those hopes are often dashed as the sinner side of leaders, and members alike, keep showing up as often as their saintly side.

Thanks be to God, that by grace we have a deeper hope that sustains us. Our baptism connects us to the love of God through our Lord Jesus forever and in spite of the worlds continuing efforts to kill it. The deepest truth of a life in Christ is that He has already certainly won for us the final victory over hopelessness and death. Therefore hope endures even the darkest of days in the church and out. And we are continually renewed and equipped by God himself to continue the work of his church on earth.

It is by God's grace alone, that we are saved from our every despair and set free to live fruitful lives of hope with Him.

*Peace be with you.*

**STATUS UPDATE FOR ST. PAUL'S  
FROM THE PASTOR'S OFFICE AND  
THE CHURCH OFFICE**

As you all are well aware, event planning in the near future is on hold. In the meantime St. Paul's has posted our recorded services since

March 15 on our webpage with either just a voice recording or video recordings. We will continue to update these videos until we can once again open our doors to welcome in worshippers. When we are able to begin rescheduling worship and other events in the future, as the Bishop and government agencies allow, we will update the online calendar and begin sending notifications to you as we are able. Pastor Burkhart and the Church are in prayer hoping for a brief and positive outcome to the current situation. The church phones are being forwarded to our Administrative Assistant, Carmen Buckley. If you are in need, please call 717-637-5941. If there is no answer, please leave a message.

For information and updates, please call 717-637-5105. We will have updated messages on that line at all times.

Bill Grandia (717-633-5470) has offered to help anyone out with shopping and prescriptions. If you are in need of a repair at home, Chris Erickson (717-632-4358) has offered to help. If you are in need of these offers, please call them.

Dear Siblings in Christ,

The current health concerns in our community and nation are affecting each and every one of us to some degree. Our children and our grandchildren are home from school, many businesses are closed, many of us have been sent home from work, and now our church is temporarily closed. For many people these are unprecedented times in our lives. And while our world is currently turned on its head and uncertainty abounds, let us assure you that one thing is certain: God's love for us through Christ Jesus, our Lord.

We know that many of you have questions and concerns about how this situation is affecting St. Paul's. While none of us know how long this public health concern will last, we do know that God has a plan for St. Paul's on York Street, just as He has a plan for the entire world at this time. We want to reassure you that your Church Council continues to assess the changing situation and is faithfully working to maintain St. Paul's operations and take care of our obligations.

The Council is also taking steps to provide you with worship opportunities. We have made video recordings of the Wednesday evening Lenten service

and the Sunday worship service. These will be available on the church's website: <http://www.stpaulsyorkst.org/recorded-services.html>. Scroll to the bottom left side to Recorded Services and participate with Pastor Bob. They are also available on the church's Facebook page. You may also email us and request a direct link to the file. Additionally, SPYKids is having a daily live Facebook Watch devotional for children and families (or for anyone interested) at 11 am.

We are also encouraging a Stop and Pray session every Tuesday morning at 10:00 am. We ask that members stop what they are doing at this time and pray for our members, the church, our community, our country and the world. Now more than ever the Church needs to unite in prayer. Every MONDAY Send any prayer concerns and requests to Janet Haack at [jmhaack@comcast.net](mailto:jmhaack@comcast.net) and she will send out a list of prayer concerns for Tuesday's prayers.

Finally we want to let you know that we are here to support you. If you have a spiritual need for pastoral care, please contact the church office at 717-637-5941 or email [www.stpaulsyorkst.org](http://www.stpaulsyorkst.org). We are also here to assist you in other ways. Please reach out if you need assistance with getting groceries, picking up prescriptions, or doing other errands. Call the church office and we will make every attempt to help.

Between March 19th and 28th Council members and others will be contacting you. If you have not heard from anyone by March 28th, please call the church office at 717-637-5941 and let Carmen know.

We pray that you will maintain good health and peace of mind during this time.

*Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7*

## GLEANINGS FROM THE MARCH 2020 GATHERING OF CHURCH COUNCIL

**Mission:** To fulfill the command given in Matthew 25:35  
*“for I was hungry and you gave me food, I was thirsty and  
you gave me something to  
drink, I was a stranger and you welcomed me, I was naked  
and you gave me clothing,  
I was sick and you took care of me, I was in prison and you  
visited me.”*

*And the King will answer, truly I tell you, just as you did it unto one of the least  
of these, my brothers and sisters, you did unto me”* Matthew 25:40

- Council met on Saturday, March 14, 2020, to discuss St. Paul’s response to the coronavirus. The actions taken were in place for weekend of March 15<sup>th</sup> but were replaced by request from Bishop’s office to suspend worship through March 28<sup>th</sup>.
- In preparation for improving our online presence, the Executive Committee met Monday, March 16, 2020. The committee approved purchase of additional licensing to use music online in addition to print license that we currently have. The service would be recorded using a tablet. From Stewardship,

St. Paul's has stopped all meetings and worship services held in our church building. This is in support of the efforts to stop the spread of the COVID-19 virus. Meetings and worship in the church building may have stopped, but St. Paul's has not stopped doing God's work. We are actively providing new ways to worship with on-line services. The church council is meeting electronically; our members are continuing to serve at PAL Lunches; we are calling our inactive members; our staff is working from home, just to name a few things. I am sure there are many other instances of St. Paul's members finding ways to be His hands and feet.

Even though we have stopped all church related activities at our building, our need for receiving your tithes and offerings has not diminished. We continue to have bills to pay, payroll obligations to meet, and ministries to support. I am asking everyone to mail their weekly offerings to St. Paul's. Mailing in your offering envelopes will ensure that St. Paul's remains financially sound and ready to serve our community, as we always have, when our current situation is over.

For your easy reference, the church's address is

# Notes of THANKS

Dear Members of St. Paul's

Thank you so very much for the flowers and program of February 23. I very much appreciated your thoughtfulness and kindness. I do miss the services there, but as I no longer drive "off campus" it is best to attend services here at Homewood.

Thanks for remembering my big "90".

Thank you again and God Bless,

Sandie Stabnau

\*\*\*\*\*

Thank you, our St. Paul's family,

Our deepest appreciation for the many acts of kindness extended to us during the recent passing of my Dad, Daniel E. Baugher, Sr. Your prayers, thoughts, cards, and phone calls of sympathy were a blessing and gave us peace during a difficult time. Our thanks to Pastor Bob for his phone call and availability to us.

With gratitude,

# AN UPDATE FROM THE LUTHERAN CAMPING CORPORATION

March 17, 2020

Dear Friends;

*Do not fear, for I am with you;  
do not be dismayed, for I am your God.  
I will strengthen you and help you;  
I will uphold you with my righteous right hand.*

Isaiah 41:10

To say that these are uncertain times has become a bit of a cliché, and, as time progresses, an understatement. In the face of a pandemic, it is easy for us to feel unsure about correct courses of action and decision-making. However, we are children of God, and we trust that the Holy Spirit is guiding us.

In light of Governor Tom Wolf’s mandate for the closing of non-essential retail stores, and the White House’s advisement for the public to avoid gathering in groups of more than 10, Kirchenwald, Nawakwa, and The Wittel Farm are making the difficult decision to cancel events & rentals of our facilities through March 30. We will continue to be attentive to the recommendations from the CDC, public health officials, and others and will provide updates regarding retreats scheduled throughout April.

We are doing this to comply with the spirit of these directives; to be responsible, and limit exposure to the coronavirus (COVID-19) to our siblings in Christ, especially those who are at greater risk.

Christian community is at the core of all that we do. Please continue to be in community with one another in responsible ways. Care for one another – your family, your friends, your neighbors, and yourself. PLEASE stay home and seek medical help if you are feeling sick. And, if you’re feeling well and need some fresh air, know that you are welcome to visit the grounds of our sites for hiking, picnicking, meditation, and deep breathing.

Finally, be assured that we continue to make plans for summer camp, hopeful that the pandemic situation will have abated by that time. Registrations have been coming in, and we are hiring staff. We will continue to monitor our policies and plans and make adjustments as needed, following the recommendations of the American Camp Association, the PA Department of Health, and the Centers for Disease Control and Prevention.

Jesus said, "Do not worry." God has promised to be always faithful; God has sustained us this far, and God goes before us now.

In peace,

Michael Youse  
Executive Director

## PERSPECTIVE FROM THE PEWS

Submitted by Judy Zumbrum

Can you believe it's Easter already! Lent seemed to go by quickly. We had the project of passing out "Crosses" the Bible Study Group made, at each of the services during Lent and also at the Lenten Lunches . We also handed the Crosses out to people we knew and happened to see along the way. If you did not get one and you would like to have one, stop in at the church office and Carmen or Sue will give you one. While I was going through my wallet getting rid of old receipts and notes of things I didn't want to forget!!!! I found a poem and a flat metal cross stuck in the inside flap of my wallet. I read it trying to remember where I got it ~ after some deep thought (not too much to think with) I remembered when my husband and I went camping at Cedar Lake Campground (Dover), we had a little church where we had services each Sunday. Some of you may remember, because the youth group at that time came to the campground to camp out for the weekend and conduct the Sunday Service. Sometimes it was a skit or your own type of service. Anyway I remembered it was there that I got the poem and the cross. I have carried it for years (at least 10) and I think it would be good to pass it on.

### THE CROSS IN MY POCKET

I carry a Cross in my pocket  
A simple reminder to me  
Of the fact that I am a Christian  
No matter where I may be.

This little Cross is not magic  
Nor is it a good luck charm  
It isn't meant to protect me  
From every physical harm.

It's not for identification  
For all the world to see  
It's simply an understanding  
Between my Savior and me.

When I put my hand in my pocket  
To bring out a coin or a key  
The Cross is there to remind me  
Of the price he paid for me.

It reminds me too, to be thankful  
For my blessing day by day  
And to strive to serve Him better  
In all that I do and say

It's also a daily reminder  
Of the peace and comfort I share  
With all who know my Master  
And give themselves to His care.

So, I carry a cross in my pocket  
Reminding no one but me  
That Jesus Christ is Lord of my life  
If only I'll let Him be.

## STEWARD THE EARTH, OUR ONLY HOME

### Stewardship Article for April

*“The good leave an inheritance to their children’s children.” – Proverbs 13:22a*

## ENVIRONMENTAL STEWARDSHIP

Look at the babies in your congregation and your circle of friends and family. You want them to grow up in the same kind of beautiful, safe, abundant world you did, right? But that’s increasingly in doubt.

In the next 50 years, climate change and environmental crises will disrupt patterns of nature and civilization that have developed over millennia. Some scientists even wonder whether the planet will be habitable in 2120.

Australia’s horrific wildfires may be just a sample of things to come, along with worsening hurricanes, more-frequent tornadoes, rising sea levels, rapid desertification, and melting glaciers and icebergs. It’s not that our world did not already have serious problems with such issues as war, refugees, hunger, species extinction, pollution and extreme weather, but climate change is making them all much worse and much more complicated.

Christians trust in the Almighty, while we also recognize that God calls us to love one another and care for the only home God has given us.

“If we truly believe we’ve been given responsibility for every living thing on this planet (including each other) as it says in Genesis 1, then it isn’t only a matter of caring about climate change,” writes evangelical Christian and climate scientist Katherine Hayhoe. “We should be at the front of the line demanding action.”

This month we have much to celebrate in the new life we have through our resurrected Lord. We also celebrate spring, seedtime, and Earth Day on April 22. Let us commit ourselves to renewing and protecting the only home we have, the only home we will leave for our children.

## APRIL'S DESIGNATED GIVING St. Paul's Family Crisis Fund.

Many times in our life together we find that families within our congregation face monumental struggles. Families or individuals may have financial needs arise from medical emergencies, fires, long-term disabilities, or unemployment. They come seeking assistance from the church and many times they need more help than is readily available in the Discretionary Fund. Several years ago, our Congregation Council established the Family Crisis Fund and criteria for disbursement of funds to the

families of our congregation. Building a fund such as the Family Crisis Fund enables us to help our families meet their needs and to hopefully get through the crisis. Please give generously to our Family Crisis Fund this month, so we can help those in need.

The Hanover Area Council of Churches would like to make you aware of the Stolte Scholarship Fund. The Fund was established in 1973 in memory of Rev. Robert H. Stolte, pastor of Lohr's Memorial United Methodist Church in Hanover from 1962-1973. The administration of the fund has been handled by the Hanover Area Council of Churches, and has been supported with the offerings received at the Community Good Friday Service and with private donations.

The Stolte Scholarship Fund provides a one-time grant of \$1,000 to an individual pursuing a career in the field of **ministry, missions, or humanitarian service**. Interested applicants must be residents of the greater Hanover area and should be a high school senior, college student or seminary student. He or she must complete an application form and submit a brief summary of his or her call into the field of ministry, missions, or humanitarian service and future vocational goals. They should be active members of a church, display good moral character, and exhibit high scholastic ability.

Please contact St. Paul's Church office for an application. The deadline for accepting applications this year is April 30, 2020.

If the Book Club is able to meet in April, we will be meeting at Marge Erickson's home on Wednesday, April 29, 2020 at 7:00 pm. We will be discussing two books, Half Broken Horses by Jeanette Wall, our March Book, and The Cellist of Sarajevo by Steven Galloway. This book is quite appropriate for the times we are now living in. One reviewer says, "A grand and powerful novel about how people retain or reclaim their humanity when they are under extreme duress." Hope we can meet for this event. If not, I will contact the Book Club with new plans. Stay healthy and READ.

## MEN IN MISSION MOMENTS:

Our group is dedicated to grow our faith in God and in our love for others. Each month on the fourth Saturday we meet for breakfast, have a Bible study and business meeting. We invite you to become involved and help us serve our congregation and community.

Unfortunately in the best interest of everyone involved, it was necessary to postpone our March meeting with Bishop James Dunlop from our Lower Susquehanna Synod. We will be looking for another date later in the year after we are able to move through the current health crisis, and hope you plan to attend at that time.

If we are able to meet in April we have invited a Master Gardener from the Penn State Extension Center to speak with us on Gardening. The date is Saturday April 25th at the Railside Restaurant with a \$10 breakfast served at 9am. Due to the limited time for the speaker and the many areas of gardening that may be spoken on, if you have any specific questions - composting, rotation, particular plants, etc. - please forward them to one of our members and we will pass them on to our speaker.

We are planning for our fifth annual book sale in October. Last year was our most successful one to date, and we look forward to an even better one this year. More information will be forthcoming. Start saving those used books, puzzles, DVD's. Proceeds benefit our youth.

A Signup sheet is posted on our bulletin board and  
**EVERYONE is INVITED to our MEETINGS**

Want to go on a mission trip but can't afford to miss so many days of work? Want to go but you have small kids at home? Have WE got an event for you! Our Global Ministry committee is planning a long-weekend mission trip for EVERYONE in the congregation—young and not-so-young; skilled and not-so-skilled. All that's needed is a desire to work as a community in meeting the needs of the people of God.

Plans are underway for a trip to a site within a 200 mile radius of Hanover on **July 10-13**. More details will be shared in a future Evangel, but prayerfully consider joining us! Cost will be minimal, but youth under the age of 16 will need to be accompanied by an adult (i.e. parent, grandparent, aunt or uncle). This is a great way for your family to serve for a short period of time. See a member of the Global Ministry committee for more information (Brian & Diana Leppo or Deb & Bill Sowers). We hope to have a nice-sized group from St. Paul's join us in this mission!

# GREAT STRIDES

## CYSTIC FIBROSIS FOUNDATION

### CYSTIC FIBROSIS WALK

**Saturday, June 6, 2020**

Pastor and Janet Haack are again raising funds in support of AIDAN'S TEAM for the GREAT STRIDES 2020 Walk in Howard County, Maryland on June 6, 2020. Their grandson, Aidan, was born with Cystic Fibrosis. He has recently started taking a new drug, Trikafta, developed through the support of the CF Foundation. It is intended to help him gain weight and increase his lung function, both of which had been decreasing. We are anxiously waiting to see how this medication works over the long run.

The walk raises money for the CF Foundation. If you would like to join them in supporting AIDAN'S TEAM, you may send a check made payable to the Cystic Fibrosis Foundation or CFF to Janet Haack, 344 Foxleigh Drive, Hanover, PA 17331. Or, you can make donations online by going to [www.cff.org/great\\_strides](http://www.cff.org/great_strides) and click on “Donate to Walker.” Click on Find a Team. Enter Aidan’s Team hit return. Click on “Aidan’s Team” when it comes up in the left hand corner. This will bring you to the team’s page. Scan down to the Team Roster. You can donate to Janet Haack or Paul Haack. Any amount is greatly appreciated. Thanks for all of your support and prayers through the years.
