

Sugar Sand Festival Cruise Report

4 Sailboats & 1 trawler from HBYC participated in the cruise to Clearwater Beach for the Sugar Sand Festival leaving on Apr 18 & returning on Apr 20. Those cruising were:

- ***Time 2 Cruise***
- ***Cat's Sass***
- ***Fine Alee***
- ***High Tide***
- ***Voyager II.***

4 boats anchored by Frenchy's Saltwater Café, the other boat elected to go to Clearwater Beach Marina.

Thursday we all had an enjoyable time walking Clearwater Beach & admiring the sand sculptures.

Thursday evening all the boaters & club members who drove by car met at ***Frenchy's Saltwater Café*** at 7 pm for dinner. The food & service was excellent. The atmosphere & camaraderie was great. Total number of people at Frenchy's was 23.

If anyone has any pictures of the sand sculptures or the cruise, please forward them to Don Himes to put on the website.

Thanks to everyone's participation & especially to Don Himes for initially organizing the event.
