# Challenge: What can *you* make out of **Recycled Valentines?**

February 15 – February 28th

How to participate:

**Give your valentines a new life by using them as the basis to create something cool! You can incorporate any additional elements so long as the valentines are used prominently.**

*This is a STEAM activity for you to do at home as a family. Be creative and have fun! When you've finished the challenge, please email a photo of your project to: Ms. Cannon: [TLCannon@fcps.edu](mailto: TLCannon@fcps.edu). All projects are due by the end of February.*

**A few lucky STEAM Challenge submissions will be displayed at the STEAM Fair for everyone to see!**
