

Minnesota Music Hall of Fame Inductee

Steve Moran

Inducted in 2009

Steve Moran acquired his interest and love for music while at Rochester Lourdes High School. In college, he participated in concert band ensemble and marching band at the University of Minnesota.

After college, Steve taught at Sanborn and New Ulm Public Schools. While in New Ulm, he organized a young group of musicians that became Muskverein 88. These musicians credit him for their passion for music and great learning experience.

Today, Steve is retired but tutors private band students. He has been a full-time member of the Peter and Paul Wendinger Band and is their writer and arranger.

Steve is an outstanding musician, playing many instruments and quite often two simultaneously – with one hand on the keyboard and the other on the trumpet or trombone.
