Competition Novice/Open

This class will cover all the skills necessary to execute each exercise in Novice and Open, along with teaching your dog how to “do his job” in a trial environment. In addition to mastering the exercises, emphasis will be on helping you and your dog become a team and providing a foundation for more advanced AKC titles.

Required equipment: dumbbell, 4' leash, 6' leash, long line, high value treats your dog can eat quickly and easily visible treats like string cheese, tug or other motivational toy your dog likes (no balls that are not attached to a handle), bowl or small platform your dog can stand on with both front feet (small rubber feed bowl or oil pan, styrofoam square)

3:00 p.m., Mondays, April 3 to May 8*

\$160 ORKC Members, \$170 Non Members, payable at first class

Min 4/Max 6 students

Competition Utility and Problem Solving

This class will cover the skills necessary to execute the exercises required to achieve an AKC Utility title. Dog must have at least a CD to participate. It will also address any problems that you may have with those exercises.

Required equipment: full set of articles, 4' leash, 6' leash, long line, 3 utility gloves, high value treats, visible treats like string cheese, tug or other motivational toy your dog likes (no balls that are not attached to a handle)
