

Making Plans

by Greg Gwin Collegevue church of Christ Columbia, TN

A financial planner observed that most folks spend more time planning their summer vacation than they devote to planning their most important lifetime goals. That is, without doubt, a sad but true fact. How can we hope to succeed in life without planning and goal-setting? If you want to be a successful student, businessman, politician, etc. - it takes planning!

Surely this same point can be made in regards to our spiritual service to God. In fact, it may be even truer in this particular realm. We might even say that some folks appear to spend more time planning what they will do after supper on a given night than they have ever spent charting their plans for serving God. It's a sad situation, to be sure.

The problem is that we have gotten our priorities out of order. Notice what Jesus said: "Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Where withall shall we be clothed? . . . for your heavenly Father knoweth that ye have need of all these things. But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." (Matt. 6:32-33)

Do you see it? Jesus said that we ought not to worry about the things that we most often do worry about. And, He said that we should give careful consideration to our spiritual work - putting it first in our lives.

Christian, are you making your plans to be faithful to God and to be active in His service? Have you spent any time lately planning about the things that are really most important?
