History of the Feaste

A 15th Century banquet hall draped with banners and evergreen accents. The page beckons patrons to journey back some 550 years to join the festivities and partake the enchantment and magic of the Renaissance.

On nights, Saturday 9 and Sunday 10th 2017, the diverse talents of music and theatre students of the School District of South Milwaukee will host the 39th Annual Ye Olde Christmas Feaste.

The Feaste as it is fondly called, recreates the regal elegance of an old English castle during the Renaissance period with pageantry, costumes, music of the madrigal singers, renaissance string ensemble, woodwind and brass ensembles, herald trumpeters, and of course feasting.

This production boasts second generation performers in this beloved community tradition.

Please join us in the frivolity and merry-making!

Be magically transported to 15th Century England for music and merriment!

Enjoy a catered feaste fit for a king or queen. Be delighted with table side entertainment and music of the season performed by traditionally costumed serving wenches, minstrels, madrigal singers and court jesters!

Tickets are processed in the order they are received and are subject to availability. This event is a collaboration with the South Milwaukee Music Parents Association. To find out more, visit www.rocketmusic.org
