

### BROCCOLI SLAW

Mix together:

- 1 package broccoli slaw (Walmart has bags as well as Publix)
- 1 small red bell pepper cut into small dice
- 1 bunch green onions, chopped
- Dried fruit and nuts to your liking

Dressing:

- ½ cup canola oil (DO NOT SUBSTITUTE)
- 1/3 cup cider vinegar
- 1/3 cup sugar (I use less)
- 1 seasoning packet from package of Oriental Flavor Ramen Noodles

Mix in jar and shake. Can store for several days in cool dry place

Combine broccoli slaw, peppers, onions, fruit and nuts and **mix with enough salad dressing to your liking**. Right before serving, break up the ramen noodles and add to salad for a little crunch....Enjoy!!!!
