Tim Handren

About our Speaker

Tim Handren graduated with a degree in Computer Science from St. Mary's University. He would go on to spend 21 years at USAA, ending his career as the *Chief Operating Officer*. In 2010, he partnered with a business colleague and started a new company, focused on building jobs in the San Antonio Area. The small business grew to 800 employees over the next 5 years and was bought by a large international company in 2016. Having also served on many not-for-profit Boards, Tim is passionate about maintaining cohesiveness between business and community. Those business experiences gave him deep understanding of both large and small companies, and prepared him to share his strategic planning skills and the ability to execute those plans with the city of Boerne, where he and his wife have lived since 1999. For the past year, Tim has been Boerne's District 5 Representative. **He is a current unopposed candidate for Mayor for Boerne in May 2019 election.**

Other Club News:

Member Spotlight

KCRW's Vice President, **Katherine McDaniel**, serves as First Assistant for Kendall County Criminal District Attorney's Office. She was recently appointed by Governor Abbott to the **Governor's Violent Gang Task Force**. For over 20 years, McDaniel has worked in the largest jurisdiction in Texas combating gang activity including working in specialized units like Major Narcotics, Special Crimes, Child Abuse, and Juvenile Divisions. She will bring a wealth of knowledge and experience to the Task Force to help take a proactive stance toward tracking gang activity and gang growth in the State. We are so proud of Katherine, and equally proud to have her serve on the KCRW Executive Board!

Want to post something to the KCRW Facebook?

Our Facebook is now up to date and designed to be a current listing of events that are coming up and/or highlights of events that have just occurred. If you attend a Republican event and have photos, or if you want to share news of upcoming events that might be of interest to our members and friends, send it to us at: kcrwtx@gmail.com and place "Facebook posting" in the subject line, please.

Want to Get Involved?

If you are new to the club, or have just not had time before now to get involved, this is your opportunity! We are currently looking for club members who want to step in and become a committee chair. We are looking for a **Scholarship Chair**, **Volunteer Hours Chair**, and a **Correspondence Chair**. In addition, each of our committees all have room for volunteers, so let us know what your interests are and we will get you plugged in! **Please send us an email to: kcrwtx@gmail.com if you are interested!**

Speakers

We have great speakers planned for upcoming luncheons, but we are always looking for more! If you have an idea for a speaker or you have contact information for someone that we should get in touch with, please let us know. We strive to bring you the best presentations and topics that are relevant to Republicans. Many of our best speakers have come directly as a result from an introduction from one of our members or guests, so please keep us informed if you can help us connect with a future speaker.

Candidates for Office/Elected Official Spotlight

We allow a speaking time for Republican candidates/elected officials to address our members at our monthly luncheons. If you (or a member of your staff) would like to get materials to us to pass out at luncheons or you/staff would like to briefly speak at a meeting, drop an email to us (kcrwtx@gmail.com) no later than 24 hours prior to any monthly meeting. If there are multiple speakers that month, there may have more limited time for each speaker, but we want to offer a platform for all Republican candidates or elected officials to address our membership.

How to Contact Us

If you have any ideas for speakers or just want to give us feedback on a meeting or any other club correspondence, you can send an email to: kcrwtx@gmail.com. We will respond to you as quickly as possible.
