OLD BUSINESS

The Board reviewed the meeting room and the back area of the building and discussed options for remodeling and noted maintenance items that need to be done. A list of changes to both areas and the outside of the building was developed with all Board members in agreement. Hebert and Yonkers will discuss the changes with the Zoning Administrator for compliance and prepare the final specifications to be provided to parties interested in bidding.

Advertisements for bids will be published in the paper and included on the website.

Hebert moved, Reimink seconded, to adjourn the meeting at 6:50 PM. Motion carried.

Respectfully submitted,

Cindy Yonkers
