<p>Moderate</p>  <p>Equity / 60% Fix Inc / 40%</p>	<p style="text-align: center;">Growth & Income Model</p> <p style="text-align: center;">For investors with the following financial objective, risk attitude and investment time horizon:</p> <p>Financial Objective: Primary Goal: Asset Accumulation Secondary Goal: Wealth Preservation Adverse to short-term loss and can accept only minimal fluctuations in portfolio value Risk Attitude: Have some tolerance for market fluctuations, with the potential for higher rewards Time Horizon: Minimum 3 years</p>

Important Disclosure Information

*It is the role of Green Pastures Wealth Management LLC ("GPWM") to assist prospective clients with the selection of investment alternatives to consider and choose from, and to provide corresponding general information materials so as to help educate each prospective client so that he/she better understands the investment selections for his/her investment and/or retirement accounts. However, no prospective client should assume that any general informational materials serve as the receipt of, or as a substitute for, personalized investment advice from GPWM.

Past performance may not be indicative of future results. Moreover, no prospective client should assume that future performance of any specific investment, investment strategy, or product made reference to directly or indirectly in any general informational materials (including any corresponding general investment strategies devised and/or presented by GPWM) will be profitable or equal any corresponding indicated historical performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a prospective client's investment and/or retirement accounts.
