## From the President's Desk:

Greetings Members! Spring is just around the corner, and what a busy spring it will be! Just about every activity associated with the club wakes up in March, and we are going to need your participation to make it the best we can. It doesn't matter if you volunteer to work an event or cleanup detail, decide to play at one of our happenings, watch others play, heckle others while they work or simply come on down to take a walk, **WE WANT YOU!**

### Immediate needs are:

- **Trout Stocking:** The 2020 stocking schedule is out. We need bodies to help on stocking days. It is a great time. See the trout report for more info.
- Our very own **Kids Fishing Derby and Mothers day** on the stream events are coming up, and we need to get to some stream bank beautification between the dam and the road. Look for email blasts on when you can pitch in. Speaking of the derby, it is a great time with 200-300 kids catching smiles! You will be amazed at the fun you will have being a part of it. No experience necessary, come on down and see what all the fuss is about.
- **The annual Youth Field Day** is at the end of June. They can always use help there. Again, the kids smiles are infectious.
- **Like to shoot?** No matter what you shoot, we have an event for you, and they all are waking up. Look at the shooting sports section of this here newsletter for more.

### Reflection on ourselves time:

As the season begins, keep in mind who we are. IWLA York has a strong presence and a great reputation in the local sportsman's community, and our personal actions are a reflection of our organization. Remember, our primary purpose as a non-profit is to serve and educate the community, and we do so with distinction. Help keep that distinction. Be mindful of your interactions with our members, members of other clubs and the general public. Wear the club colors when you can, be polite and courteous, and strive to have everyone leave every interaction with a smile. You will be glad you did. See you on the grounds soon!

## JUNIORS

*Hi Juniors!*

We completed our winter blues project. We now have several bat boxes and mason bee boxes to sell to the club and at "go green in the city". At this month's meeting we learned a little bit about the trout and stocking and then we painted the bat boxes.

March and April will be busy. There is a lot on the calendar. I recommend keeping an eye on the IWLA calendar for upcoming events. In March trout stocking is going to start. This takes place on the weekends through out March and April. We typically have something to do for every age and ability. I encourage all my juniors and their families to come to a least one trout stocking to see what it is like.

Also, on the calendar we have our annual Easter Egg dying on Friday March 27th at 5pm and then the Easter egg hunt on Sunday March 29th at Noon. All are welcomed to these two events.

On Saturday, April 4th will be the first day of trout. The juniors are going to run the food tent. I will need volunteers to come out and help. Please contact me to let me know when and how you can help. On Saturday April 18th is "go green in the city".

Thanks, *Sarah Chenowith*

F. Further: Upon the dissolution of IWLA York Chapter No. 67, assets shall be distributed for one or more exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to a state or local government, for a public purpose. "

**This must be approved by a 2/3 vote of the voting members  
present at the May election.**

## STREAM RESTORATION PROJECTS

YORKIWL #67 is the project management team for several state and federally sponsored stream restoration construction projects in southern York county. We are a liaison between contractors and the various government granting agencies.

This work greatly benefits the local area streams, with the aim to reduce sediment down stream, and increase the health of fish habitat. A great local example of the work being done is the stretch along Swamp Road near the club. Only half of that stretch has been restored so far, and the difference is amazing. The other half is on the list of upcoming projects.

We have the exciting probability of several new construction phase projects starting in 2020. We are looking for folks to help with project management, accounting and minor field work (like inspections and tree plantings), as well as community relations, in cooperation with these projects. This is the kind of conservation effort the Izaak Walton League stands for, and all of these projects are local to the club. If you are interested, please drop me an email or phone call. — Gary

## KIDS FISHING DERBY SPONSORS SOUGHT

On May 9th, we will again hold our annual free Kid's Fishing Derby. This event provides an outdoor trout fishing opportunity for boys and girls 12 years of age and under, right here on our beautiful grounds. For the Derby, we heavily stock the stream, giving the kids an almost guarantee of catching their limit. The kids are awarded trophies for best catches, win random prizes and get giveaways.

Historically, participation averages between 250 and 300 children and their families each year. This, of course, does not come without expense, as it is free to all participants. We would greatly appreciate your consideration of a Sponsorship donation to help us secure various prizes and recognition for the children. A banner listing Sponsors will be displayed at the event. Any amount will do! Thank you! — Cindy

## SHOOTING SPORTS

### FUNSHOOT

We had an unscheduled FunShoot on Feb 22nd. The weather played out perfect for us to get steel on the ground, so we went for it. And so did about 50 shooters! We took on over 140 pieces of steel, and the steel lost! If you missed it, please subscribe to our blog, for up to date notices of our events.

See you on March 28th for the next one.

## 22 PRS March 15th is now a 22 LR Carnival Shoot/Match!

March 15th at 10am-2pm

\$5 kids and \$25 for adults

6 carnival themed shooting arrays 25/50/75 yds

2 Long range style shooting arrays 100/200 yds

See the York pistol blogspot for more info and signup.

### 3-GUN

Three gun action matches are exciting and fast-paced, and require competitors to be extremely familiar with rules and procedures before participating in matches. If you've never seen a real 3 gun match we invite you to come see one (bring eye and ear protection) and introduce yourself. We'll be happy to answer questions and get you pointed in the right direction. We follow the Midatlantic 3 gun rules.

Pre-registration is mandatory for all York 3-Gun action matches. Sign-up for the 3-Gun at York is announced on the blogspot about 5 days before each match and is required. Email your name, division, and squadding preferences as instructed. You should receive a confirmation email within a day or two. Visit our [website](#) for match Dates.

### USPSA

USPSA is a fast-paced, action-packed sport based on accuracy, power and speed. Shooters compete in one of eight divisions using either a pistol, revolver or pistol caliber carbine (PCC). Beginners are welcome, but you must be able to safely draw a handgun, perform reloads and navigate our courses of fire. If you have never shot an action shooting match (USPSA, IDPA, 3-gun, etc.) before you will be required to attend a pre-match safety briefing prior to your first match. USPSA has an extensive set of safety rules; we highly recommend reviewing them before your first match. The competition rules can be found on the USPSA website: <https://uspsa.org>. Registration for each match will be via Practiscore at [https://practiscore.com/clubs/york\\_uspsa](https://practiscore.com/clubs/york_uspsa) and will open a week before the match. Scores will be posted to Practiscore. We will also post registration information and scores to the blog. See more info on our webpage [www.yorkiwa.org/uspsa.html](http://www.yorkiwa.org/uspsa.html).

### FALLING STEEL

The dates for Falling Steel at York this year are:

Saturday, April 11th • Sunday, May 3rd • Sunday, July 5th  
Sunday, August 2nd (PA Falling Steel Championship)

The first 3 matches will be 5 stages and \$20 entry. The last one will be 6 or 7 stages and it will cost \$40, but include cash prizes. All 4 matches will allow multiple entries within the same time slot, teams, lots of divisions with high cap or 10 round limits, and PCCs with almost no limitations to capacity or configuration.

Changes for this year include the steel will be painted white after every squad, some wider arrays, ipad scoring, and no shotguns. Applications for the August match will be available by April match.
