

IBHA Versatility Class Rules:

1. All general rules apply as listed in the IBHA World Show brochure for added money classes.
2. Entry must be the same horse/rider combination throughout the class.
3. Classes will consist of the following:
 - Showmanship
 - Pleasure
 - Trail
 - Barrel Racing
4. There will be 3 minutes in between each discipline. Each entry is allowed two helpers at the time to enter the arena and help with tack and clothing changes.
5. Exhibitors must remain still while the judge's tally their placings. When judging is done the whistle will blow and entries can begin travel to their helpers.
6. Helpers can enter the arena when the whistle blows and the 3 minutes begins. After 3 minutes the whistle will blow and helpers must eliminate contact with the entry and leave the arena. Failure to abide to the 3 minute rule will result in a zero score for that portion on the class.
7. Entries will be judged by all three judges.
8. Scoring and disqualifications will be at the judge's discretion.
