REPEAL OF THE BOIL WATER NOTICE TO
THE RESIDENTS OF NORTSHORE WATER SYSTEM
8/6/2021

The Summerton Public Works advises the residents of the Haynesworth Mill Water System, located on **Tom Charles Road**, located in Clarendon County, that they no longer need to boil their water prior to drinking or cooking.

Following an intense flushing of the distribution system, bacteriological samples were collected and analyzed by the Summerton Public Works. The results of this sampling indicate that the system is now safe to use for drinking and cooking purposes.

If you should have any questions concerning this repeal of the Boil Notice, you may call Summerton Public Works at 803-485-2525 ext. 1.

Thank you,

Summerton Public Works
