Dear Tom;

On behalf of myself, our fellow Commissioners, and all of your neighbors, we would like to thank you for all of the great work that you did on our behalf during your 14+ years on our Town Commission. During that time, your steadfast support and leadership for our Underground Utilities Project and our Neighborhood Rehabilitation Project were invaluable to bringing those projects to fruition. Without your hard work, dedication, and steady sound advice, we could not have accomplished all that we have.

Saying "thank you" on behalf of all of us simply does not seem enough. So, I simply will say "well done, my friend."

Yours truly,

Mayor Dan
