### End with dignity !

Custodian Guardian believe **1 God** has the right to decide who lives or dies. People have a **1 God** given right to end their life with as much dignity as events allow. That entails ending an unlivable life by putting the life and death decision in **1 God's** hands.

A Person on life support have it turned of (by medical staff) after 3 day's (mandatory). **1 God** then decides if that person lives or dies. Leaving a person longer on life support is torture, a crime, **MS R7**.

A Person is told they have a life threatening illness. 1<sup>st</sup> their body is butchered (surgery). Still alive the person is burned (screaming in agony) with radiation. Still alive the person is now poisoned (Pharmaceuticals). Still alive you may be cured for now. Or you are not cured, after the torture you are left to die a slow, agonizing death. It is cruel inhuman. Not an end with dignity.

Custodian Guardian support preventive health consisting of diet, exercise and immunization. Surgery is a last resort medical procedure. Radiation treatment is torture not to be administered. Pharmaceuticals' are to be avoided, they are an unhealthy ripoff. They all have side effects and are a great health risk to be avoided.

A Person unable to make a sandwich and eat it now or in the foreseeable future. May want to invoke the **1 God** decision making process (live or die). Every person has the right to deny: treatment, food and drink (no liquid intake your dead in 2 day's). Denying a person this right is torture, a crime, **MS R7**.

**1 God's** design is that everything in the Physical Universe has a start and end, including the human body. Human compassion demands putting an end to suffering. Not 'artificially prolong' life. Artificially prolonging life is interfering with **1 God's** design (the Soul's mission).

To avoid being buried alive, cremation is a must. Cremation also frees the Soul. **Note!** Graveyards are a health risk, a waste of land.

### Graveyard funeral a pagan ritual

Graveyard funerals are unacceptable because a growing population needs to use the land more useful. These funerals create Ghosts by not releasing a Soul.

Graveyard's are favored by evil elitist showing off: Expensive coffin, expensive headstone, pompous landscaped mausoleum.

Preservatives in food stop body's from decomposing stopping reuse of graves. Graves encourage crime, robbing and vandalism. Neglected graves have unhealthy vermin,..

No more new Graveyards. Existing Graveyards are closed, dug up. Remains are cremated and spread over the Crematorium garden. The land is to be used for other purposes.

**Cremation is the only acceptable type of funeral !**

**Self inflicted** killing (euthanasia, suicide) is a sign of a weak mind, a weak spirit. It is a life experience for the Soul. Other humans should not interfere unless there is a danger to others. 1 **God** will handle this on Judgment Day. Helping a person to a self inflicted killing is acceptable as long as the relevant court accepts that there is a death wish. Severe suffering is torture. End it!!

**Note!** Humans end it (compassion) for suffering animals. However they lack the same compassion for their own kind.

**Ending life with dignity is a human right.**

**1 God is waiting to hear from you !**

**Soul Prayer**

Please welcome a member of our community  
A humble custodian guardian who struggled to be good A  
much loved person who fulfilled their mission  
Fire frees this Soul for Judgment Day  
A unique Soul missed  
For the Glory of 1 **God** and the Good of Humankind

This prayer is used after a person died or any time. Is used at a End Portal Ceremony of a Crematorium.

**Bereavement**

Bereavement a state of being sad because a family member or friend died . When a person dies their body has an autopsy, cremation and an

Estate. The Soul starts Afterlife. The people who cared about the deceased are in a state of bereavement. Bereavement comes in various emotional stages. The most intense being Grief.

## Deceased

A Deceased person has a community afterlife: Estate, Knowledge continuity, Heritage and Traditions. Estate passes on accumulated knowledge, life experiences, heritage, family traditions and memorabilia. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue.

A Deceased person who had raised Children (own, adopted, foster) becomes 'Immortal'! Those that didn't, 'Don't'! Children make you 'Immortal'!
