

Region 11 Meeting
9/27/17

Meeting called to order at 7:11 pm

The Pledge of Allegiance led by Al Copp

The Treasury Report read by Patty;

The Legislation Report read by Alice;

RJ Wilson, founder of Region 11 Motorcycle Awareness Program was killed in a motorcycle accident Monday, Sept. 18, 2017. Please have a moment of silence.

Current ABATE Legislation:

HB4480-- Motorcycle Handlebar height; modify from 15 in. to 30 in. Still in Transportation & Infrastructure committee; no change.

SB-568—Senate version of the bill; shortened to 1 paragraph, introduced & referred to Transportation committee on 9-13-2017.

HB4466—Distracted driving; prohibits using hand-held devices while driving. Clarifies what “distracted” is, and specifies vehicles manufactured with “hands-free” are exempt from the ban. Still in Transportation & Infrastructure committee.

HB-4042—Requires police officer to confiscate registration/license plate of vehicle being driven by an owner who does not have a valid driver’s license. The registration/license will be held for 10 days during the owner must show proof of insurance. If the owner does not show proof of insurance within 10 days, the registration and plate are destroyed, and the owner must purchase a new plate. Still in Law & Justice Committee, where it’s been since January.

New Bills of Interest:

Senate Bill 575: *Increase motorcycle operator license fee*

Introduced by Sen. Tom Casperson (R) on Sept. 18, 2017 to increase the fee to get and renew a driver’s license “motorcycle endorsement” required to drive motorcycles on public roads. Basically, all it does is change the date of effectiveness to Jan. 20, 2018. Referred to Senate Transportation committee.

SB581—*Michigan Vehicle Code (Knezek)*

Adds computers, tablets devices, cameras or other Internet-based communication devices to the list of devices not to be used while operating a motor vehicle to Michigan Vehicle Code, and sets penalties. Sent to Judiciary Committee. Vote of the full committee expected Sept. 28, 2017.

SB330—*Revoked Licenses (O’Brien)*

Expands crime of operation of vehicle causing death while holding a suspended or revoked license or registration to include individuals whose licenses or

registrations were suspended or revoked by other states. Referred to Judiciary Committee and a vote of full committee expected on September 28, 2017.

Senate Bill 552: *Increase annual OVR tax*

Introduced by Sen. Geoff Hanson (R) on September 13, 2017. Increases the annual off-road vehicle license tax from \$16.25 to \$26.25 for a license that does not authorize operation on state ORV trails, and \$36.25 for one that does. If no action is taken the tax expires in 2019, and the bill would delay this until 2024. Referred to Outdoor Recreation & Tourism Committee & expected to be voted on by full committee on September 28, 2017.

HB5013—*Auto Insurance Proposal 3 Levels of Insurance.*

Seniors on Medicare or with lifetime retirement health care could opt out of personal injury protection under a proposal announced today by Democratic Detroit Mayor Mike Duggan. A plan would lead to a 20% reduction on auto insurance premiums for the average driver. The bill includes mandated rate relief. An anti-fraud authority would be created and excess funds in the Michigan Catastrophic Claims Fund would be returned to drivers “in rate reductions and rebates.” The Michigan Health and Hospital Association and the Coalition to Protect Auto No Fault both declared opposition to the proposal.

Notes of Interest

Both the Scorpions, and Street Royalty had their clubhouses burn to the ground. The Scorpions of Oakland County have a You Caring page, where folks who wish to donate to help rebuild, can donate. The address is;
