

Not a Native, But . . .

I'm excited to be working at CBeyond Realty. There is a great vision among our team for this company, and I am thrilled to be part of making it happen. It is an honor to work alongside such compassionate professionals.

The folks at CBeyond Realty really care about people. It shows in everything they do and the way they do it.

I have always enjoyed helping people, and I get to do that every day with CBeyond Realty. It's a dream come true for me.

I look forward to building relationships with our clients, and I truly enjoy working diligently to make their dreams of home ownership come true.

I've lived in 10 different states including Hawaii, but can't think of anywhere I'd rather be than right here in Colorado Springs. I love it here!

To quote my favorite bumper sticker: "Not a native, but I got here as fast as I could!"

A Positive, Productive Partnership

Seeing Beyond Ourselves

**CBeyond Realty and You ~
Making Colorado Springs the
place everyone wants to call
HOME!**

Working Together . . . as Partners

Let's face it, there are a LOT of real estate companies in our beautiful city!

It's no wonder, really. Colorado Springs consistently ranks at the top of all sorts of both national and international lists when it comes to the best place to live.

Every day people relocate to our town, and a lot of them need a place to rent. That's where you come in. That's also where we come in, believe it or not.

There are a lot of apartment communities to choose from, so how will you set yourself apart from the rest? We'd like to help you with that.

We're not going to try and poach people from you, like most real estate companies that ask "Why rent when you can buy?"

We know not everyone is ready to buy a house when they first arrive in town. Many people will rent for a year or more while they get to know our fair city and choose the perfect spot for their permanent home.

We Want to Help You

We are looking for a select few quality apartment communities to recommend to our many website visitors.

We often have singles, couples and families who ask our opinion regarding the best place to rent.

As a partner with CBeyond Realty, you will enjoy free advertising space on our website, as well as being featured on our business Facebook page. Just think of the exposure!

If you like to talk about your complex, we invite you to be a guest blogger on our website, where you can tell the whole world how great your community is and why they should live there.

We Need Your Help, Too!

We place an extremely high value on our clients' happiness, and we are able to see the big picture. We know that many renters will eventually become homeowners.

We'd like to refer our rental inquiries to you, knowing tenant satisfaction is your top priority. In return, when your tenants are ready to buy their dream home, we ask that you refer them to us.

You do your best to make them happy tenants, and when it's our turn we promise to do our best to make them happy homeowners. It's a win-win-win situation!

All we ask is that you allow us to place some information about our company where your tenants can see it.

If you have new tenant welcome packets or a community newsletter, we'd like to place a flyer or ad inside. You don't have to write it, we'll take care of all those details.

Party Time? We're There!

Is yours the kind of community that likes to host events for your tenants? Are you known for holiday parties, pool parties and other fun times?

Guess what? We like to have fun, too! As a thank you for referring your ready-to-buy tenants to us, we'd like to provide you with a professional karaoke setup at your next event.

We believe by working together we can help a lot of folks see beyond your average real estate experience, and find a happy home here in beautiful Colorado Springs.
