

## PARADISE RV COMPUTER CLUB

GENERAL MEETING, JANUARY 12, 2019

President Loretta Rippee called the meeting to order at 9:00 am.

Loretta asked if there were any new people in attendance. There were 3 new attendees.

Loretta mentioned there were copies of the December meeting available on the table and on line. She asked if there were any corrections to them. There were none, so she called for a motion to accept them as submitted. A motion was made and seconded. Vote was taken and motion passed.

### Treasurer's Report

Glennis reported on behalf of Treasurer Donna Banchette. She reported a balance of \$8,120.65. Genealogy has \$95.48, Emergency Equipment \$5,000.00, General \$2,975.17 and \$50.00 in Petty Cash. There was an expenditure of \$72.95 for ink cartridge and batteries.

### Membership

Jan said there were 24 paid up members.

### Old Business

Loretta said the question of whether there was a need to continue the iPhone and iPad SIG had been raised. She asked Sally Smith if she was planning on doing a Friday morning SIG this year.

Sally discussed the fact that most people now had been using their iPhone and Pads for quite some time and she was not sure how many new users there were. Sally mentioned that she had a new Apple watch that she just loves and mentioned several of the features. She asked if there was anyone else who had a watch. One member said she had one.

A member did say that she had just received a new iPhone as a gift was in need of help.

Sally asked for a show of hands from those who would be interested in a SIG on Friday mornings at 9:30 am. There were several people interested, so Sally said

she was willing to start this coming Friday, January 18<sup>th</sup> at 9:30 am. The class would last one hour.

Loretta asked if there was any interest in a SIG for Android users and if so was there a volunteer to run it. There was no interest.

#### New Business

Loretta said the Club was looking for ideas and topics for future meetings and wanted input from the members who were present. She mentioned that she had contacted the Sun City library to see if they provided speakers for meetings. They unfortunately did not.

Loretta mentioned that if we could not get any outside speakers would there be any interest in watching a TED talk? No opinions were expressed.

There followed a discussion on Echo and similar devices and what they could do.

Loretta again said the Club needed help finding topics from the membership so that the Board members were not the only ones working on this.

Sally said there were TED talks on technology and that maybe we could show a couple of them some time and see if the members enjoyed them.

Loretta said that the first meeting in February still needed a topic and that she would talk to the library to see if they had a speaker and if not maybe show a TED talk.

Sally asked who was in charge of making the coffee for the Saturday morning meetings. Loretta said she had been making it. Sally volunteered to make the coffee for the Club.

There being no further business to discuss, the meeting was adjourned a 9:30am

Respectfully submitted,  
Valerie C. Miller  
Secretary
