

Arianna's CDH Foundation

Latest News and Updates

Wrapping up 2022

Our 8th annual Race For CDH, held in Eagle Rock Resort, Hazleton, was a success! Our 2022 race proceeds totaled \$7,824. We are in awe of our community for the way they come together every year to make this event possible. This event was filled with amazing athletes running in our professionally timed 5K walk, 5K run, and 10K run. Our 1-mile kid's fun run showcased our next generation runners who competitively ran through the finish line! Following our awards ceremony, we raffled off beautifully crafted tricky tray baskets. We would like to thank everyone for the generosity and love shown to our foundation. It's what allows us to assist other families during the difficult diagnosis of Congenital Diaphragmatic Hernia. We hope to see you in 2023!

Pictured above: Overall winners for 10K Male: Ryotaro Honda. 10K Female: Kathy Brown. 5K Run Male: Byran Herbst. 5K Run Female: Andrea Stevko. Winners Not Pictured: 5K Walk Male: Daniel Rebarchak. 5K Walk Female: Diana Barna.

New Grant Applicant:

Meet Alexander!

Alexander was born in August, 2022 with CDH at the Children's Hospital of Philadelphia. This family of 5 travels back and forth to the NICU from their home over an hour away. Our grant has assisted them with important bills and commuting to the hospital to be with their little fighter.

Just a Note:

To all of our sponsors, race participants, and those who assist our foundation, please know that your impact is not small. The difference you help us make in the lives of these families is something they will never forget. As we head into the Holiday Season, we think of Arianna, and how blessed we are to be able to do what we do through her. Thank you for your kindness, and the way you have blessed our CDH families this year. Happy Holiday's!
