
We hope that you will join us for our Winter Concert that will continue our 88th season theme “The Magical Musical Number Five”. The orchestra will perform, for the first time, the lyric and forceful Symphony No. 5 in e minor by Peter Tchaikovsky and also the waltz from his opera Eugene Onegin. The Humoresque composed by both Peter Tchaikovsky and Antonin Dvorak will be performed, and both the musicians and the audience will have the opportunity to compare the similarities and differences of the composers’ interpretations. The concert will conclude with the delightful music from MGM’s feature animated film, Anastasia. Please join us for this exciting program on Sunday, March 5th at 3:00 at Compass Road Christian Church, 6771 Tylersville Road in Mason.
