

# MUSIC CITY NOTES

SOROPTIMIST INTERNATIONAL OF MUSIC CITY NASHVILLE

## HOLIDAYS

'Tis the time of year to count our blessings and gather with family and friends to give thanks and celebrate. Our annual Thanksgiving dinner was held at the home of Priscilla and Harley Tatarsky with good food and fellowship all around. Our donation of feminine hygiene products will help many girls affected by the "pink tax" in the Nashville area.

Members also found time to help at Second Harvest Food Bank on November 28th. We sorted and boxed food coming from area grocery stores to be distributed to churches, daycare centers and other places who either care for or will distribute the food to the needy. In less than three hours we packaged 5,817 pounds of food. By their calculations, that will provide 4,847 meals. A pretty good days work! Thanks to those that could attend.
