

Fall River Educators' Association

Rebecca Cusick, President

January 2018

Dear Colleagues,

As we have done in the past, the FREA will award scholarships to our member' children who are members of the graduating class of 2018 and are entering college for the first time in 2018. All of our members' children who apply are awarded scholarships. The scholarship amounts vary and are based on the students' grades. In 2017 we awarded \$2950 in scholarships. These guidelines for applying for scholarships must be followed in order for your graduate to receive his/her scholarship.

The first requirement is that you, as the parent, need to notify the FREA by February 28, 2018 that your child intends to apply for a scholarship. You must also provide contact information so we can keep in touch during this process. The main reason for this February date is so we can anticipate the amount of money needed to provide scholarships to all who apply. Please email Karen at office@fallrivereducators.org or Brenda Gaudette at brengaudette@aol.com by February 28, 2018.

The other requirement involves the deadlines for applications and transcripts. These deadlines are also noted on the application guidelines. All applications must be received at the FREA office by 3:00 p.m. on Friday, June 1, 2018. Completed transcripts must be received at the FREA office as soon as available but no later than 3:00 p.m. on Friday, June 22, 2018. No exceptions to these deadlines will be made.

Thank you in advance for your cooperation.
