Course: Green Knoll - Blue - R - Rating 69 Slope 126 Par 71

Weather: Sunny Very Hot 95+

George and Charlie win by 2 over 3 guys with net 70s on a very hot day. The course is getting dry and lots of run on the ball plus holding some greens was an issue. 2 stories from the last group - on 14 Dan leads off and hits quickly and as the ball is in the air Ed realizes that he hit from outside the markers resulting in him reteeing and hitting 3. Interesting if this was match play there would be no penalty. Dan tried to plead his case that it was match play to no avail. Mike had a very hot putter and had holed 3 - 30-foot putts on the first 7 holes. As he looks for a club for his approach to the 8th green - he realizes he doesn't have his putter. Ed and Rick had confiscated it - laughs all around and Mike did hole one more long one once he got it back.
