

Monthly Meeting Minutes March 2024

Happy Spring !!

We want to wish everyone a Happy Healthy Spring, along with the spring flowers come the weeds! We will take it all happily. With a sad heart we say this is our last meeting until the fall. We had a great season, welcoming new friends to the park and spending time with long time friends. We added new events back to our schedule and have plans to do even more in the future.

It was mentioned at the meeting, there are a few who are alone, didn't make anything or didn't sign up for the pot luck dinner so they do not attend. We always have plenty of food and fellowship to share. Join us and spread the word to your neighbor. All are welcome. To paraphrase Charlie "The most important part of the pot luck dinner is being together!"

Note: after the monthly meeting, the calendar is available for download along with the monthly minutes from the home page of Lake Saunders website. www.LakeSaundersResort.com

Safe travels to all as you head out. We can't say, as you head home because you are leaving home until we are together again, have a safe and healthy summer.

March Business:

Unfortunately, once again we are burdened with issues we hoped were resolved but were not. There have been many, many more complaints regarding dogs! We all live close, we are a close community in all ways. You must clean up your dog waste everywhere and that includes your own property. Do not let your dog(s) walk on anyone's lot. If you can not control your dog, DO NOT use a retractable leash. If you can not control when your dog defecates then take your dog by car or golf cart to a common area in the park or to a dog park. If your property is covered in feces it will not be mowed. You will be required to mow your lawn or you will be charged to have it cleaned and mowed. We do not want to make this a no pet park.

Please be a responsible resident and neighbor.
