

Pre-Calculus Course

Mrs. Melisa R. Walters

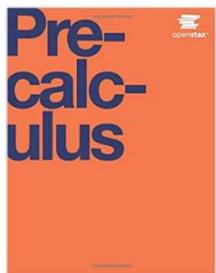

Instructor4Math@gmail.com

Course Description

Pre-Calculus is a preparatory course for Calculus, the language of nature. We will begin this course discussing various types of functions, providing a foundation for the remainder of the course. Then, we approach trigonometry by first introducing angles and the unit circle. Lastly, we will cover some advanced Pre-Calculus topics.

Supplies needed are a spiral notebook for notes, red pen for corrections, and pencil for calculations. Graphing calculators are preferred.

Book Precalculus by OpenStax

Free online: <https://openstax.org/details/books/precalculus>

Printed Hardcopy/Softcopy may be purchased on Amazon.

ISBN-13: 978-1938168345

ISBN-10: 1938168348

Prerequisites: Algebra II

Homework There will be weekly homework that may take up to 7 hours per week to complete. Tests will be provided periodically. Google classroom will be used to upload and download packets as necessary. If students do not have access to the internet, then arrangements will need to be made for the assignments.

Supply Fee

The supply fee is \$25.00 non-refundable.

Tuition Fee

The tuition fee is \$50.00 per month. Please make checks payable to Melisa Walters on the first Friday of each month. I may be reached via email: Instructor4math@gmail.com.

God Bless YOU and Have a great day!
