Guideline Information

Arrival and Departure Guidelines: Arrival and Departure Guidelines:

- **Set up time is between 6:00 – 9:00. Vendors arriving after 9:00 a.m.** will be turned away without refund.
- **All vendors are required to remain at the show until closing.** We have advertised the specific hours of the festival, and it would not be safe, professional, or fair to patrons to break down before the specific closing time.
- Failure to appear, early withdrawal, or canceling will result in loss of space and may jeopardize participation in future shows- vendors and performing groups.

Refunds:

- **Rain and Wind Policy:** There will be **NO REFUNDS for rain or wind.** A great deal of time and expense is put into the Kiwanis Wilderness Trail Festival over the course of a year therefore it is our policy not to cancel the festival for bad weather. Vendors are responsible for providing their own protection from inclement weather. A one-hour wait period will occur before calling the status of the festival during extreme weather. After that period, if the festival is cancelled, a staff person will notify participants. Only then will vehicles be allowed back onto the festival street.
- **Cancellation Policy:** We **do not refund** for cancellations.

Virginia Department of Taxation:

- Vendors must file taxes on their own as required by law. Refer to <http://www.tax.virginia.gov>.

Additional Guidelines:

- The Kiwanis Club of Christiansburg and the Kiwanis Wilderness Trail Festival Planning Committee have the right to update, change or re-design the layout of the festival as they see fit. **All Festival Sponsors may be placed throughout the festival layout and may not be forced to adhere to the same guidelines as Handcrafted by YOU, Non-Profit/Business Displays, or Food Vendors.**
- ***No electrical outlets, tables, tents, or water** are provided. Trash cans and porta pottys will be dispersed around the festival.
- **Vendors are responsible for providing their own trash receptacles/bags** for their space. There will be trash cans at the festival for vendors to dispose of their trash afterwards. All spaces must be left clean and free of any debris or trash of any type. Trash cans will be removed approximately 1-hr after festival closure.
- **A fire extinguisher/safety equipment must be in any booth where food is cooked, candles are lit, or if there are any burning or smoking items.** Fire safety equipment as required by local fire department ordinances and/or guidelines for food trucks, mobile trailers, or free-standing canopy vendors apply.
- **Locations and street layout** are subject to change.
- **A professional attitude and consideration for co-vendors is always expected.** Failure to cooperate with the Kiwanis Wilderness Trail Festival Staff may result in removal from the show without refund.
- **Vendors shall be liable for delivery, handling, erection and removal** of their own display and materials.
- ***Demo CDs or music need to be played at a respectable level** so as not to bother other vendors- you may be asked to turn down the volume if it causes complaints. (Edited 10/9/23)
