All residents are encouraged to observe and report all suspicious activities by calling;

911 for all emergencies, or 727-847-8102 for non-emergencies.

The second call should go to our Community Patrol 727-848-0198.

Anonymous tips can be entered on their website www.pascosheriff.com and use the "submit tip" tab. Pasco Sheriff's Office also have a Face Book page.

He stressed to call in ALL suspicious activities.

When the Sheriff's Office receive reports, deputies are dispatched to investigate.

An increase of Sheriff Patrols in GHC is a good thing.

There will be another information session scheduled for next winter.
