### Goals & Priorities

2019-2020 Goals: Meet registration goals for all SoCal events, including outreach to SoCal membership, active and non-active.

2019-2020 Priorities: Work with Committee members to increase participation in SLC and TRIO Day of Service, and encourage SoCal membership to attend COE's Policy Seminar.

### Updates

**Student Development:** SLC event at CSUN was canceled. We can take a look at future possibilities, of hosting the event, or changing the structure. Scholarships were still awarded.

**Public Relations:** Event(s) did not happen due to current events and "safe at home" orders.

**Legislation & Education:** Policy/Dept of Ed. seminars still happened in March, virtually. In April, there were advocacy efforts to protect and enhance TRIO programs during the series of stimulus packages. June 1<sup>st</sup> Upward Bound programs should have received their GAN for PY 2020-21. We are still anticipating Congress will work on TRIO funding by end of the year, for FY 2021.

### Recommendations

- Work with board & service council to support the association and membership moving forward, in next year's fiscal year.
