#### **Male spouses can now join the Auxiliary!**

In addition to the expanded eligibility dates approved through the LEGION Act, the American Legion Auxiliary has approved extending membership to male spouses of veterans and current service members. During the National Convention in Indianapolis in August, delegates voted to replace the word "wife" with "spouse" in the Auxiliary constitution and bylaws. Currently, 1.9 million women veterans are living in the United States, and 9% of the U.S. military is female. As we welcome eligible male spouses into the Auxiliary, we gain another perspective on the needs of military families. This new membership eligibility has much promise for growth of the Auxiliary, leading to new resources, increased funding opportunities, and additional diversity and talent.

Come in where it's warm and relax in the Clubroom! Now, in addition to the dart board, we have a foosball table for your entertainment. PLUS the Post's new Michigan Lottery Pull Tab dispenser. Try your luck at winning up to \$500!

## Chaplain's Corner

### Andy Machcinski

My Fellow Legionnaires,  
Well it may be a "bit" too early to say this but... spring is on the way! There may be a long time before that happens but, the next two months November and December are the most demanding and important of the year. In Nov. not only do we honor Veterans Day on the 11th, but we have the Marine Corp. birthday, Thanksgiving and election day. To all the Marines at our Post a very happy Corp. Birthday; on election day please vote, it is one of our biggest rights; and on Thanksgiving just enjoy and be thankful for what you have. December we have Christmas and Hanukkah, and we will observe Pearl Harbor Day on the 7th, and a New Year!

My focus as your Chaplain is on Veterans Day, Pearl Harbor, Christmas and Hanukkah. On each of these days I ask each and every one of our Post members to take a moment and think of all the veterans that are not able to celebrate each of these special days. Even if you do not know a prayer, take a moment, stop what you are doing and think about all the service members away from their families who may be in hospitals, recovering from wounds or gave the ultimate sacrifice of giving their life for the freedoms and holidays we can observe.

Your Chaplain,  
Andy

## Club Rumors (cont.)

Since we're talking about food, just an FYI. The clubroom now serves finger foods Mozzarella sticks and Chicken Bites! I am toying with the menu and will add more variety in the future. Just ask your bartender.

Eric Welter, Clubroom Manager

P.S. January SAL meeting (Jan. 1st) is canceled.

On 09/26 our Post hosted the Greater Farmington Area Chamber of Commerce event - Lunch and Learn. Keynote speaker Roger Avie (Dept. of MI officer) talked about "How can the business community help our veterans?" Post members in attendance to help field questions from local business owners were (L to R) Jim Koponen, Commander Marya Davis, SAL Commander Eric Welter, Roger Avie, President Carol Hopson, Alan Huet and Roger Hane.

## 10/05/19 SAL Cornhole Tournament

A fun time was had by all the contestants at the SAL Corn-Hole Tournament. Twelve teams vied for cash prizes. The big winners for the day was the team of Derek & A.J. Congratulations! Photo: Carol Hopson

## Club Rumors

### Eric Welter

I will be brief. Growing up my family would host friends and family that did not have a place to go for the Holidays. We called it "Refugee" and the name of the Holiday to coin a name for it. This Thanksgiving my wife Tammy and I will open the clubroom at noon on Thanksgiving for Lions Football and Refugee Thanksgiving Luncheon. Turkey, stuffing, mashed potatoes and gravy (nothing elaborate) will be served. So maybe you would like to coat your stomach before you visit the family, or you don't like the family, or you don't have a place to go. Please come down and joins us for Refugee Thanksgiving. This is our first at the Legion so we don't know what the turnout may be? An RSVP is not needed but would help in determining a headcount. I will start a sign-up sheet in the club room. Hope to see you and Happy Thanksgiving!

Commander's Corner...  
Post 346 Commander  
Marya Davis

'Tis the Season  
Veterans Day, Thanksgiving, and the varied celebrations in December all have a common theme. A time of reflection and gratitude.

When someone thanks a Veteran, sometimes it can be uncomfortable for us. It may stir up conflicted memories. We may feel undeserving as we reflect on those that gave more... or gave all. A simple 'you're welcome' is too meager a response as our minds are flooded with the significance of war and service. But in that moment, they are only trying to express their appreciation. I choose to respond "it is my honor to serve."

And we all still serve. At our Post and in our daily lives we serve through the myriads of volunteer activities in the community. It is part of who we are.

To be grateful for what we have and a call to action to pay it forward. As in Thanksgiving, made up of two words: thanks, and giving. In terms of thought and deed, the holiday of Thanksgiving gives us an enriched perspective on the abundance in our lives. Traditionally celebrated with family and feast, members of the military know that the meaning of 'family' can take many forms. While deployed or on assignment away from home, we still celebrate with those that are currently near and important to us and give thanks.

Regardless of our upbringing or religious belief, December is filled with many celebrations. Let us keep in mind **Human Rights Day** as observed on Dec. 10, **The Universal Declaration of Human Rights** (UDHR) as proclaimed in a general assembly of United Nations in 1948 in Paris to protect the basic human rights of the people across the globe. They include *"the right to life, liberty and nationality, to freedom of thought, conscience and religion..."*

No matter what trials we have endured or challenges we face in our daily lives, we are so very, very fortunate. And that is worth reflection.

In service,  
Marya Davis, Commander

*"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."* - John F. Kennedy

As always, I'm looking for advertising sponsors to help the Post offset the costs of publishing the Bulletin. The current donation level for a 1/6 page ad is \$20 per issue or \$120 per year. Other sizes also available. I can copy a business card, use info from your website or create a unique advertisement just for you! Remember, your ad here is seen by hundreds of Legionnaires, Auxiliary, SAL members, and their friends and families. - Carol

My 2 Cents...  
Unit 346 President  
Carol Hopson

Greetings Auxiliary!  
We've done so much in the past 2 months, as you can see from the photos here, and have a lot planned through the first of the year. I hope you all make plans to join us during these upcoming events.

This month I'd like to talk about thanking our veterans on Veterans Day. We all know how important it is to thank our veterans for their service to our country. This year, and not only for Veterans Day, I'd like to ask each of you to sincerely thank all of the female veterans you know or happen to meet. They don't always bring attention to themselves, you won't typically find them wearing jackets or ball caps proclaiming themselves veterans. Not only have these women volunteered to stand side by side with their male brothers-in-arms to protect and serve our country, they have done so under incredible and sometimes hostile circumstances.

Until fairly recently the idea of having females in our military was almost unheard of, frowned upon, and protested against. Especially those women who choose to apply to the three military academies, the Air Force Academy in Colorado, the Naval Academy at Annapolis and The Military Academy at WestPoint. These institutions have been in operation for some 200 years and have only accepted women into their ranks since 1976. And despite all efforts to alter policies and make women feel accepted, they still face an uphill battle... to put it mildly. For instance, a 2016 report showed that approx. 25% of female cadets (and midshipmen) suffered unwanted sexual contact and harassment during their time at military academies. Not only did these women voluntarily choose to put themselves through some of the most physically and mentally demanding courses of study available, they did so under incredible pressure. Sincerely thank these women who have endured and accomplished so much for the privilege of serving their country.

That's my 2 cents worth, I'm always eager to hear yours,  
Carol Hopson, President

*Happy 100th  
Birthday

Auxiliary*

**Tabs for Tots donations** now go to Ronald McDonald House Charities. Keeping families with sick children together and near the care and resources they need. RMHC is helping millions of families with sick children find comfort and support when they need it most.

Once again, one of our favorite Boy Scouts, Tally Koponen, played taps for the Farmington 9/11 Remembrance Ceremony. Tally has been an SAL member since 2010, his dad Steve Koponen has been an SAL member since 2005 and his grandfather Jim Koponen has been a Past Commander of Post 346 and a Legion member since 2002. Loyalty to the Legion, community service, and good deeds seem to run in the family!
