Dear Participants & Volunteers,

NEPAIG understands that the Coronavirus (COVID-19) outbreak in the U.S. is an evolving situation and we are working diligently to stay atop of the numerous changes and where cases have been reported. We will continue to evaluate the situation and monitor the Center for Disease Control (CDC) and World Health Organization (WHO) recommendations. For the time being and until further notice, we would encourage our participants and volunteers to use common sense: don't show up if you are sick, wash your hands frequently, use hand sanitizer and practice good personal hygiene when attending meetings and commitments.

The easiest way for you as a member to stay informed of canceled events, meetings and institutions is to sign up for the "Text Blast" by sending "NEPAIG" to "41400". There you will get updates and have the link to the cancellation lists for meetings, events and institutions. Please feel free to reach out to any of the board members or your groups IGR during this time if you have questions. There may be some meetings or commitments that you will show up to that you were not aware that they are canceled. Please be patient during this time as we are all doing the best we can to keep the wheels turning on our local fellowship.

As our co-founder simply put it, "Therefore, A.A. is more than a set of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die." So, by all means be safe in your actions over the next few weeks in order to protect your families, yourselves and the new member seeking sobriety.

In Loving Service  
N.E.P.A.I.G.
