General Team Info 2018

-) Each player will be issued a locker in the tennis locker room in which to keep your tennis equipment/clothes for class and practice
-) Locker room will be open before school each day and locked again at 7:45 a.m.
-) Locker room will be unlocked again at the end of 4th period each day and will be locked again at the end of practice.
-) On match days the locker room will remain open until after the match
-) On Thursday – Saturday during football season, all lockers and personal items must be secured prior to 4:00 p.m. as the visiting team will be using the locker room

-) To park in the tennis/baseball lot, you MUST have a valid KHS parking sticker
-) ALL vehicles must be moved from the parking lot by 4:00 p.m. on football game days

School Absences/Make-Up Work

-) While team tennis matches are played after school, participation in tournaments will result in a school related absence
-) On the day IMMEDIATELY following the school absence, players may use their tennis period to take care of make-up work in their academic classes
-) IF your absence requires additional time or make-up, this MUST be cleared by Coach Cannon
-) Academic excellence is an expectation for all players. If tutorials are necessary to achieve success in a class, these need to be scheduled at a time that does not conflict with your regular practice times – i.e. before school or after school on the days you do NOT have tennis practice
-) Likewise – you need to make EVERY effort to schedule any appointments (Dr, dentist, etc.) on the days that do NOT conflict with your regular practice or match days

Off Season

-) Workouts during the off season are just as important as during the season in order to prepare for future competition
-) Challenges will continue during off season
-) At the end of the spring season, a round robin tournament will be used to determine ladder positioning for the coming year
