Happening At the Library

**Our Knit and Crochet Club is now
on Wednesdays!**

Story and Toddler Time

Story and Toddler Time has been busy! The kids have been loving each week with their friends. Some have even asked if we could do it again after class has ended and their heading out the door for home! They've asked for a party every week, too!

So far, the kids have had some fun lessons about playing instruments and being part of a band. They learned about different instruments and how they sound while marching around with their friends.

Then we had fun with week learning about taking care of our teeth.

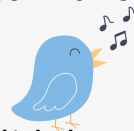

March 6th was Dentist Appreciation Day, so we had a friend from Cornerstone Care in Waynesburg come visit and give a great presentation to our Story Time kiddos. They were so wonderful and made up take home bags for both groups!

We celebrated St. Patrick's Day the next week. Everyone came in their best green clothes and we read about some lucky leprechauns. The kids really got to interact with this story, helping Miss Rae count each new leprechaun, so that we made it all the way to 10!

And last, but certainly not least, we got to ring in Spring! Our Story Time group (Tuesdays) didn't have Spring weather that day. We all woke up to snow and frigid air, but we still talked about the colors of the flowers we've seen sprouting from the ground. We read a book about Max and Ruby cleaning up their backyard for birds to live in and how composting is like recycling. The birds ended up using all the things Max and Ruby were cleaning up to make their new nests in the tree!

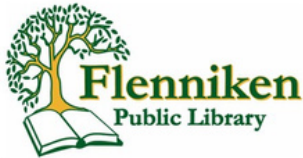

We had so much fun this month! We didn't get together the week leading up to Easter, which made us a little sad. It was so quiet at the library without everyone here.
