

Hi,

Linda is a librarian at the A.R.E. in Virginia Beach, Virginia. I have included her email to me, and a link to where you can get the products. I have also included a previous email on treating the lungs according to Edgar Cayce.

I will add a personal story. Twelve years ago my late father-in-law Henry Messer, took a chest X-Ray, and a **black spot** was discovered on his lung. The doctors wanted to open him up and do **surgery**. My father-in-law, a survivor of the **Holocaust**, was not a believer in the **Edgar Cayce** remedies, or anything else where **Jesus Christ** was a part of the package.

He asked me what to do out of **fear**, he was in his late 80's; for the next thirty days he kept a t-shirt soaked with castor oil on his chest for 12 hours at a time, some of that time with a heating pad. The doctor took another chest X-Ray at the end of this period. **Both his lungs were clear**.

I have used variations of the Campho Care, Inspirol and Chared Oak Keg over the years. The combination of the Inspirol and Canphoderm is **VERY** effective for walking **Pneumonia**. The Chared Oak Keg will bring relief for **Emphysema** patients, and was part of the cure

• **HI,**

• **I'm meeting with someone whose family has a history of serious lung problems. Pulmonary Edema was one of the causes of Edgar Cayce's death; the main one being that he couldn't stop helping people even though the readings told him it was killing him. I have included the entire circulating file on pulmonary edema below. The first reading in the file is on Edgar Cayce who was known as 294 in the readings. This is also the LAST reading Edgar Cayce ever gave before he passed. Even at the end the Doctors wouldn't follow the instructions that came through Edgar Cayce.**

• **The concept in the Edgar Cayce was ALWAYS to bring the body back in balance and harmony so it could heal itself. The treatments prescribed in the reading were very consistent; and you will see them prescribed in the readings below. You can find more information on these treatments at my website edgarcayceheals.com .**

- **a) Chared Oak Keg with 100 proof Apple Cider Brandy**
- **b) Camphoderm - Mutton Tallow and Turpentine massage formula**
- **c) Wett Cell Appliance using Gold Chloride and Silver Nitrate in solutions**
- **d) Violet Ray**
- **e) Colonics**
- **f) Massage**
- **g) Diet - Usually variations of the Mediterranean Diet**

• **I would also go back to my prior emails where I sent the circulating file on the Flu, and the method I used to keep my **blood system Alkaline.****

• **AGAIN THE BEST ADVICE I CAN GIVE WITH THE CORONA VIRUS AS SOON AS YOU SEE ANY SYMPTOMS;**

• **STOP EATING and START DRINKING ORANGE JUICE WITH LEMON JUICE SQUEEZED INTO IT**

WHAT WOULD THE BODY BE HEALED FOR?

That it might gratify its own physical appetites?

That it might add to its own selfishness?

THEN, (IF SO), IT HAD BETTER REMAIN AS IT IS.

But first the change of heart, the change of mind, the change of purpose, the change of intent. 3124-2
