

HERITAGE HALL MUSEUM & ARCHIVES

Open Daily from 1-8 p.m.
\$5/adults \$3/students

Step back in time with a visit to Heritage Hall Museum and Archives! Our museum is overflowing with artifacts from the Germans from Russia who settled this community in the 1870s, while our archives library is filled with books, documents and photos from the lives they lived.

Artisans and “Heritage Pickers” will be on hand daily, with demonstrations and stories of days gone by. Come see local crafts, visit with artisans, and listen as “Heritage Pickers” share 10-minute stories throughout the museum. Schedules are posted around campus.

Let history come to life as you take a seat in the old country school, admire the Waltner brothers’ 1927 bi-plane, peek into the old summer kitchen, or watch our “new” model train in action!

“Three Groups, One Story,” our 80-minute film about the Low German Mennonites, Swiss Amish, and Hutterite peoples who settled this area, will be shown in the Bethel Church. Museum admission is required. Copies are also available for purchase in the Archives.

PRAIRIE ARBORETUM

Prairie Arboretum, located just south of the Freeman Academy campus, is a retreat from the busyness of life. It is a place of solitude for walking and enjoying the beauty of the landscape.

Originally established in 1998, the terrain of the arboretum consists of 40 acres of upland area, marsh and a significant expanse of winding pond area. Included in

the landscape are over a mile of walking paths, an outdoor amphitheater, flower gardens, stone sculptures, native grasses, as well as large areas designated for tree collection. An island with a gazebo, rose garden and fountain are some of the popular features.

The visitor’s center is available for gatherings and meetings of all kinds, including weddings, band concerts and celebrations. The arboretum is staffed entirely by volunteers and is open to all who might come to enjoy it.
