

PLAYERS CODE OF CONDUCT AGREEMENT

By signing this agreement, you will support and adhere to these codes of conduct during our season. Remember that you at all times represent yourself, your teammates, your coach, and your league while in public and in social media presences.

I will show respect for the program, the training sessions, and the games with my attention to instruction, my positive support for all members of the team and my will to always perform at my highest level of personal performance.

I will show respect and courtesy towards all league members at every game, practice or group function and will not use any foul words on or off the field in any language.

I will not engage in any kind of unsportsmanlike conduct with any official, coach, player or parent such as negative comments and taunting; refusing to shake hands or congratulate other players; or bullying behavior.

I will arrive early to practice sessions and games as my coach instructs me. I will notify my coach directly if I will be late or absent to any practices or games.

I will place the emotional and physical well being of my teammates ahead of any personal desire to win at all costs.

I will always use calm respectful communication skills to work out any indifferences that may arise with any member of the team during any practices, games or group functions.

I will respect all facilities made available to me for my training instruction, and games to be played on or in social gathering settings and all instruction tools and equipment.
